

"Hams" Elect K9GSK as President

By ANNE RODGER
K9GSK is the first president of a recently organized club which meets monthly in the Municipal building in Tinley Park.

His identification is not a slip of the linotype. K9GSK are his call letters. The president, who is Norbert Fortman of Tinley Park, is known only as K9GSK to his fellow ham operators.

He is one of the organizers of the Chiburban Radio Mobiles which has 25 charted members from within a radius of 50 miles. A total membership of 40 is expected with many associate members throughout Illinois.

The club elected officers and committee chairmen at a meeting on Wednesday of last week.

Nominations from the floor were made by call letters only which are actually the

only "names" by which their fellow air wave listeners knew them until the club was formed.

Field Day

Some of the club members participated in a Field Day recently. At this annual event the amateur radio operators work for 27 hours straight, using emergency power. The main purpose of the field day is to determine how many contacts can be made within this period, giving a good indication of what can be accomplished thru ham radio communications in case of an emergency.

More than 500 contacts were logged for the 27 hour period.

The Field Day is carried out nationally with approximately 5,000 groups participating.

One of the most interesting activities of the group is the formation of a RACES net,

composed of a group of the members certified by the Federal Civil Defense Administration and the FCC who will maintain a disaster unit alerted to assist in the event of any natural or man-made disaster.

Participation of the unit in a state-wide storm warning net should be of particular interest to the local area.

The storm warning group is being formed in Illinois to aid in the event of tornadoes.

Aid in Disaster

While operators become enthralled in amateur radio operation as a hobby, the practicability of their operation in case of any disaster cannot be discounted.

In many instances they are able to establish communications when other types have been knocked out during a hurricane, tornado, flood, or any major disaster which

may strike.

While the public refrains from pondering the possibility of invasion in this age of atomic bombs, the mobilization of thousands of ham radio operators throughout the country could conceivably perform a public service by transmitting valuable information, thereby reducing casualties. They can also supply operators and technicians to serve in disaster areas.

Militant Group

Perhaps that is why Fortman, the club president, calls hams a militant group. Also, why the United States Government encourages ham radio operation by allowing use of air frequencies without charge.

The only requirement is for hams to take an examination and buy a license.

Ham operators are ever

fearful they may lose their frequencies to the ever-increasing commercial users of the air waves.

The majority of operators have transmitters in their cars enabling them to be in contact with other operators over a wide area.

Most groups sponsor schools for novices to train others in ham radio operation. The Chiburban Radio Mobiles, plan to hold such classes in the fall.

Who are ham operators? They are licensed radio amateurs of all ages and from all walks of life; students, professionals, and workers in all types of employment having one common interest—amateur radio operation.

One young avid fan, a member of the local group, who is a college sophomore, has been blind since birth.

Frankfort Plans Jamboree

Firemen Battle \$15,000 Blaze at Frankfort

A member of the Frankfort volunteer fire department was overcome by smoke early Saturday morning in a fire at the Schilling service station and restaurant at the intersection of U. S. Routes 30 and 45. Fire and smoke damage was listed at approximately \$15,000.

The smoke victim was Robert Deasy, 25, stepson of the owner, Ray Schilling. There are living quarters above the restaurant and Deasy hastily donned a mask and groped his way inside to make certain no one was in any of the rooms.

Whether the mask failed or Deasy did not have it properly adjusted was not determined but he did get too much smoke and fortunately for him two Mokena firemen, Mayor James Marti and Joseph Heim who had come in with a line of hose, reached him as he was on the point of collapse. They brought him out and after an inhalator squad had revived him Deasy was taken to Silver Cross hospital at Joliet but was released and returned home Monday.

Origin of the fire was not determined but apparently it had been smoldering for some time before it was discovered. The interior of the building was burned out.

Firemen from New Lenox as well as Mokena aided the Frankfort department. They were at the scene for two and a half hours before the last embers had been extinguished.

Hold Carnival on Episcopal Church Grounds Saturday

The New Lenox Grace Episcopal church is sponsoring the annual carnival to be held on the church lawn Saturday, July 19. The festivities will start with supper being served at 5 p.m. Home cooked food will be served thruout the evening.

There will be the usual parcel post booth, darts, fishing pond, baseball throw, old Black Joe, and many other contests and games.

An old fashioned country store will be an added attraction this year.

Mrs. Mary Morris is chairman of the carnival.

TOO MUCH SMOKE at Schilling restaurant and service station fire at Frankfort early last Sunday morning put Robert Deasy, Frankfort fireman, in the hospital for a day. He is shown here (above) as an inhalator squad worked to revive him before he was taken to the hospital. At the left Frankfort Fire Chief Frede Kohlhausen is shown viewing the charred interior of the restaurant. Apparently the fire had been smoldering for some time before it was discovered. There was not much visible damage to the exterior walls.

(Marvin Smith photo)

Chamber of Commerce Invites Everyone to Town and Country Day

Town and Country Jamboree Day, with its free lunch, many free prizes and parade is expected to draw some 2,000 visitors to Frankfort, according to the Chamber of Commerce there which is sponsoring the affair.

The event is to be held July 26 and an all day program is planned concluding with the Frankfort firemen's annual dance at Frankfort Grove.

One of the highlights will be a test of hose handling by firemen of the area. Teams from various departments will vie with each other for control of a ball, which is suspended on a wire between two poles.

Inasmuch as streams of water are used to direct the way the ball must swing, spectators are inclined to become confused, it was pointed out, and get the impression that the opposing hose handlers are trying to drown each other. Any drowning, according to those who write the rules, be accidental and coincidental.

3 Accept Challenge

Frankfort's fire chief, Fred Kohlhausen, announced that to date Mokena, New Lenox and Manhattan fire departments had accepted Frankfort's challenge to a water ball bout.

The Frankfort department also will put its new fire truck thru its paces as a part of the program.

There is to be a children's parade in the afternoon, led by the Frankfort grade school band, beginning about 2 p.m. In addition to the parade there will be various contests such as, sack races (no connection with the present dress style bearing the same name), baseball throw, broad jump, high jump, tricycle and bicycle races.

The parade is open to any boy or girl under 14 years of age. Prizes will be awarded for the best costume, best decorated wheel, toy floats, pets and farm animals. Contestants will assemble on the Frankfort school grounds, the starting point of the parade.

Many Prizes

The parade is to follow immediately after the free lunch to be served at the village hall from 12 to 2 o'clock. Barbeque sandwiches, ice cream and pop will be served to the visitors without charge with the compliments of the Frankfort food merchants and their suppliers.

LaVerne Larson, a restaurant operator, and Walter Mark, a grocer, are co-chairmen of the food committee. Many merchants are giving

(Continued on Page 7)

Stroke Fatal to Miss Stellwagen, Native of Mokena

Mabel Stellwagen, 44, years old, who was found unconscious in her home on Front st., Mokena, Tuesday afternoon died yesterday at Silver Cross hospital in Joliet. Dr. P. Demus, who attended her, said that apparently she had suffered a cerebral hemorrhage.

Miss Stellwagen was born at Mokena in 1914. Her parents had a store, just west of what is now the Cooper-Hostet garage and for years occupied an apartment above it. It was there that Miss Stellwagen was born.

The store building is now vacant and Miss Stellwagen and a sister, Mrs. Alma Caulfield who alone survives her, made their home in the dwelling immediately east of the store building.

Miss Stellwagen collapsed Tuesday and Dr. Demus was summoned. He had her moved to the hospital where she died without having regained consciousness.

Removal was to the Schmadeke funeral home, Orland Park where services will be held tomorrow afternoon (Friday) at 2 o'clock. Burial will be in the Lutheran cemetery on 127th st., Blue Island.

Fy Construction Co. is doing the work. The house was started last week and will be ready for occupancy by Aug. 1.

Build House on the "House" to Aid Sisters

The people developing Orland Park Hills are pretty busy with their own affairs these days, especially in view of the fact that weather has interrupted their efforts to such a degree that they endeavor to make use of all of the workable hours.

Despite this, however, they have found time to transport men, material and the necessary machinery to the Lt. Joseph Kennedy school at Wolf and McCarthy roads to build a house there for the Sisters to serve some of their help.

The house, a 3 bedroom dwelling, is being built at cost or maybe a little below. Duf-

Man Dies After Being Revived When Heart Stops for 1 1/2 Hours

Funeral services for Thomas E. Ferguson, 34, of 6560 Parkside drive, Tinley Park, who died in Little Company of Mary hospital, Monday, July 14, despite the desperate efforts of doctors and firemen to save him when his heart stopped beating for ninety minutes, are being held at 9:30 a.m. today in St. George Catholic church, Tinley Park.

The Rev. Thomas O'Connell is officiating. Burial will be in St. Mary's cemetery, Chicago.

Mr. Ferguson, who moved to Tinley three years ago, suffered severe chest pains Saturday, after mowing the lawn and managing a Little League baseball game in the afternoon.

He collapsed in the office of Dr. Clarence J. O'Reilly in Palos Park after driving there from his home. The physician summoned the Palos inhalator squad when he discovered the patient's heart had stopped beating.

Massaged Heart

In a desperate effort to revive him, Dr. O'Reilly cut open the patient's chest and began massaging the exposed heart with his fingers, while an

Use Motor Fuel Tax to Repair and Oil 14 New Lenox Streets

Repair of 14 streets at New Lenox have been completed. They have been oiled and chips applied.

The streets in question had previously been designated as arterial thoroughfares and so repairs of same could be taken out of the village's share of the motor fuel tax.

Street Commissioner Keith Hossack hopes to get funds appropriated to make similar repairs to the other "streets" in the village next year. As many streets as possible will be designated as arterial.

Appropriations were made from the general fund to oil the continuation of Hawthorne and East Wood.

How Cooper street is to be maintained poses a legal question. Heretofore, Cooper street was considered the east boundary of the village so the village and the township divided the maintenance chore on a 50-50 basis. Now it has developed that Cooper street is outside the village.

The property along the west side of the street, it is declared, is not wholly within the village. The east 18 feet of such lots, it was explained, are outside the village.

Several of the property owners are reported seeking advice relative to getting the rest of their lots annexed to the village.

Lincoln-Way Band to Give Three Concerts

The summer concert series, which proved to be popular last summer, will be staged again this year by the Lincoln-Way high school band under the direction of Robert Taylor.

There will be three such concerts, the first of which is scheduled for next Wednesday, July 24, on the lawn in front of the high school.

The program is to commence promptly at 8 o'clock before the concert begins so as not to disturb audiences or musicians.

Some people use their cars as seats while some use chairs on the lawn.

The programs will be varied so there will be music for everyone, Director Taylor said.

Members of the Lincoln-Way Band Boosters will be on hand with ice cream, coffee, pie, cake and pop. Proceeds from the sale of these items will be used by the Boosters in buying things needed by the band.

Causes Undulant Fever

Winning War on Brucellosis in Illinois

Daniel Ryan, president of the Cook county board of commissioners, has received word that Cook county has been declared a "modified certified brucellosis-free area" and that a certificate to this effect has been awarded by the U. S. department of agriculture.

This means, it was explained, that Cook county is rel-

atively free of livestock infected with brucellosis. When this is transmitted to human beings the result is undulant fever.

Various remedies have been tried to cure undulant fever but most of them have been failures. Some cases have been known to persist for 15 years or more. One sufferer explained it this way:

"It just depends on who is stronger, you or undulant fever. You either wear it out or it wears you out. I think in my case I have finally worn it out."

It is found in cattle, swine and sheep. Veterinarians, meat handlers, butchers, and housewives, are the principal victims. They can become infected thru handling meat from

animals who suffer from the disease. Persons also may get undulant fever thru eating too rare meat from infected animals or using unpasteurized milk, cream and cottage cheese from infected cows.

The only way to eradicate undulant fever in humans, it was pointed out, is to rid herds and flocks of infected animals.

36 New Homes at Orland Park Cost \$437,000

Building permits for 36 homes with a total valuation of approximately \$437,000 were approved by the Orland Park village board at its meeting Monday night.

Thirty-five of the dwellings will be erected by Duffy Construction Co. at the Orland Park Hills Development. The other house, to be built by Theodore Kass at 14445 Oakley avenue, is listed at \$17,000. The Orland Park Hills homes have a value of about \$420,000.

Permit fees accruing to the village from this last program amount to approximately \$4,800, according to Building Inspector Robert Miller.

Since building was started in Orland Park Hills, according to a spokesman for Duffy Construction, approximately \$2,500,000 has been added to the valuation of Orland Park.

Talk of Subdivision

There was some talk at the meeting Monday relative to relaxing some of the requirements for small area subdivisions. Curbs, gutters and sidewalks are expensive items, it was pointed out, and could hinder some development.

Mayor W. R. Schussler, Jr. pointed out that streets without curbs and gutters take additional maintenance and present serious drainage problems. He also pointed out that getting sidewalks added later is a difficult task.

"To make exceptions we would have to change our ordinance," he said, "and I don't believe that such a change would be beneficial to the home purchaser. The only one who would benefit would be the subdivider."

The discussion was informal and no action taken.

Protect Lagoon

Duffy Construction Co., which is erecting the houses at Orland Park Hills, reported to the board that they had completed erecting 1,400 feet of snow fence around the lagoon as protection for small children who play in the vicinity.

At the request of the Veterans Housing Administration the village board has sent that body a letter to the effect that it is ready to accept streets, sewers and water mains at Orland Park Hills when completed according to village specifications and maintain them.

Linen line is best for deep sea fishing since it will not deteriorate in salt water.

Bishop Names Assistant for St. Jude Parish

The Rev. Faustín Klink, O.F.M., has been appointed by Bishop McNamara as the new assistant pastor to the Rev. Denis Hall, O.F.M. of St. Jude's church, New Lenox. He arrived Saturday, July 12 to take over his new duties in the parish.

Father Faustín was born and educated in Chicago, graduating from St. Augustine's grade school. He attended the Minor seminary of the Franciscan Order at Teutopolis for three years; St. Joseph's seminary at Westmont, for three years; re-

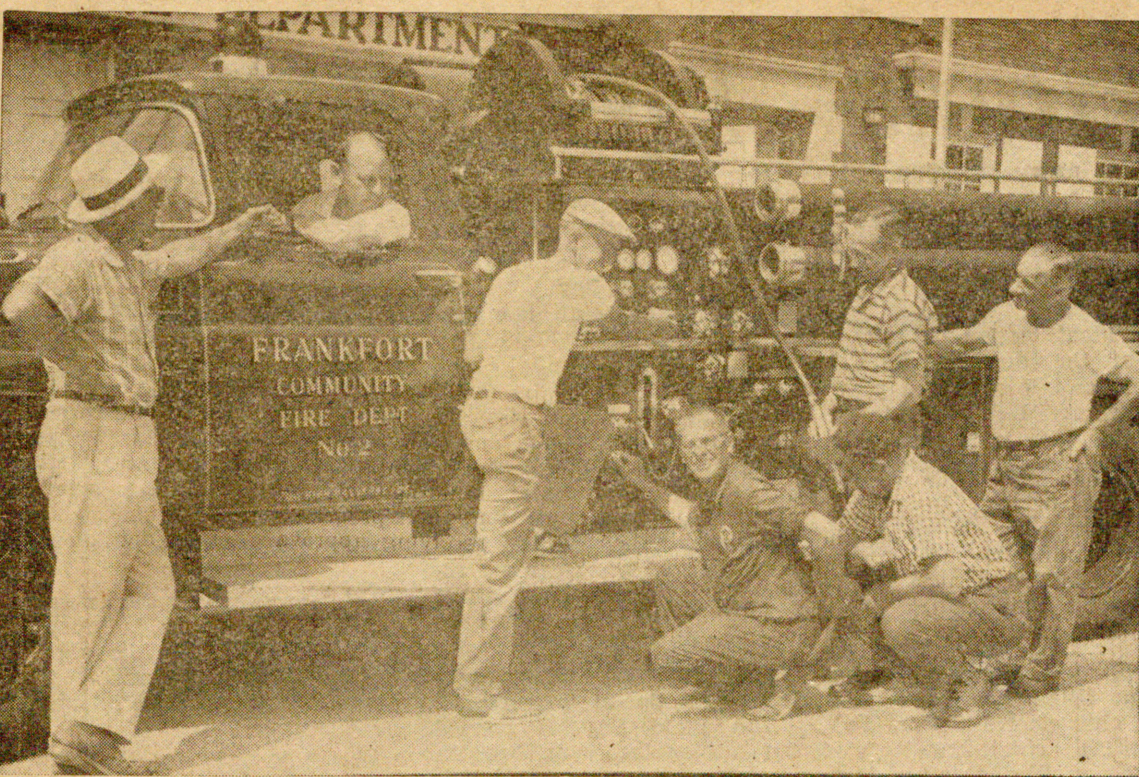

turned to Teutopolis for one year and attended Our Lady of Angels seminary at Cleveland, Ohio for three years to study philosophy. After four years of theology at Teutopolis, Father Faustín was ordained a priest of the Franciscan Order June 24, 1937. He said his first mass in St. Augustine's church in Chicago June 27, 1937.

His first assignment was as pastor of St. Paul's church in Berger, Mo., from 1938-39. He then served as chaplain of St. Mary's hospital, Quincy, from 1939 to 1951. After one year as chaplain of St. Joseph's hospital in Memphis, Tenn., he was appointed as chaplain of St. Gabriel's hospital at Little Falls, Minn., from 1952-57. He also taught medical ethics to the nurses and religion in the high school at Little Falls. Before coming to St. Jude's, he was assistant pastor at Sacred Heart church at St. Paul, Minn.

Tinley Police Set Date for Dance

The Tinley Park police seventh annual dance will be held in Sanger Hall, Saturday, Aug. 23, at 9 p.m.

Tickets may be obtained from any members of the police force.

FRANKFORT READIES NEW FIRE TRUCK for display at the Jamboree Day celebration planned by the Frankfort Chamber of Commerce for July 26. Frankfort firemen have challenged neighboring colleagues from Mokena, New Lenox and Manhattan to a water fight and with all the new gadgets and high

powered pump that the new rig boasts some give the challengers an edge. The men shown here they can take it as well as dish it out. They are: (l to r) Chief Fred Kohlhaugen, Burnett Schram, Lynn Kohlhaugen, L. A. Pearson, Orval Schroeder and Fred Breymer. (Robert Porter photo)

Village of Mokena Operating in Black, Treasurer Reports

The annual report of Deward L. Fant, treasurer of Mokena, shows that the village is operating in the black.

Total receipts for general government use for the year ending June 30, 1958, came to \$25,050.56. To this was added a balance of \$10,024.85 carried over from the preceding year to make a total of \$35,075.41. Expenditures for general government amounted to \$21,566.13 which left a balance of \$13,509.28 on hand at the close of the fiscal year just ended.

The water department had a balance of \$4,791.37 on June 30 and its receipts for the year were \$22,945.65, making a total of \$27,737.12.

Expenditures of the water department were \$17,714 so it had a balance of \$10,022 with which to start the current fiscal year.

It was pointed out that from now on a substantial portion of the revenue accruing from water rents will be used to pay off the water and sewer revenue bonds sold this year by the village to finance the building of a sewer system and sewage disposal plant. A charge for the use of the sewer will be included in the water bills as soon as the sewer is in use.

It cost the village \$283 last year for power to pump the water. The bill for lights was \$1,377. The water department furnished the money for the site of the sewage disposal plant, \$200 for options and \$5,700 for final payment.

The water fund also furnished the money to acquire five easements for sewer lines, three of them for \$1 each, one for \$50 and the other for \$450. Also paid out was \$3,362.86 for water mains put in by developers and later taken over by the village.

Receipts for general government use in the village included \$8,851.17 as its share of the half-cent sales tax collected for cities and villages. Mokena's share of the township road and bridge tax was \$8,926.07 and the amount collected as village tax was \$2,253.69.

Liquor licenses brought in \$1,300; traffic fines \$790; building permits \$472 and vehicle tags produced \$1,564.50. Relative to vehicle tags the records show that 431 bought their stickers within the required time at \$3 each; 13 paid fees for half and 11 new comers who arrived late were permitted to buy tags at the regular price. There were 43 persons, however, who were late in their payments and it cost them \$5 each.

Home Owners Ass'n at Kimberly Hts. to Hold Picnic Aug. 2

The first annual picnic of the Kimberly Heights Home Owner's association will be held for residents, friends and relatives at 1 p.m. Saturday Aug. 2, in Bachelors Woods, 143rd and Central ave.

There will be games and races with prizes for everyone. Music for dancing will be provided.

The refreshments will be supplied, including ice cream and pop for the children. Tickets may be obtained from members of the social committee who will be calling on residents during the next two weeks.

FOUR HOMER SCHOOLS—

(Continued from page 1)

oldest school, Wells Corner, was sold to the Homer church for \$4,000. The building occupies a site containing seven-eighths of an acre and the property lies between the church and the parsonage. The church may use the building to augment its Sunday school facilities and the site as a play ground or picnic park.

The Goodings Grove school at 143rd and Bell road, was sold to Edward Pekarowich, of Bell road for \$7,350. The grounds contain a little more than an acre and Pekarowich who operates a tavern next door to the school, was quoted as saying that he wanted to use the grounds for parking. The school building was erected, it was said, 20 to 25 years ago.

Church of Christ to Hold Vacation Bible School

The Church of Christ, 6727 W. 174th st., Tinley Park, will conduct a daily vacation Bible school from 1 to 3 p.m. Monday thru Friday, July 31 to Aug. 1.

The teaching staff is composed of the following: Jennie Nardoni and Harriet LaForce, nursery; Gertrude Masterson, Dolly Philippo and Audrey Heinzen, beginners; Marge Smothers, primary; Jean Cavanaugh, juniors; Richard Kirkland, intermediates.

Project workers will be Susan Marbach, Maureen Philippo, Marietta Kluge, Marge Smothers and Jean Cavanaugh.

Dolly Philippo will be refreshment chairman and Darlene Campbell will serve as secretary-treasurer.

Lion's Share from Local Club Goes to Welfare

As the Tinley Park Lions club starts a new fiscal year with a new chore of officers, a recapitulation of what has been accomplished in the past year, should be gratifying to the immediate past president, William Francis, other retiring officers and members.

All of the money raised by Lions clubs is spent for the good of their communities.

With money raised by the Tinley Lions on Cracker Jack and White Cane days, also

the annual Pancake day, the club has provided \$65 for leader dogs and donated \$65 to the Hadley school for the blind.

The Girl Scouts received \$100 as did the library building fund.

Aid Polio Victim

The cost of providing special education for a local youth, Paul Buck, a polio victim, is met each year by the Lions club. Paul "attends" Bremen Community High school by means of a two-way communication system.

The current officers who were installed by Bob Chana on June 27, are Elmer Knudsen, president, Charles Welch, 1st vice president, Kenneth Fulton, 2nd vice president, Harry Schmidt, 3rd vice president, Kenneth Schumde, secretary, Al Ebell, treasurer, Phil Dykstra, tail twister, Bill Fletcher, lion tamer, William Kopp, Art Blue, Bob Watkins, and Allen Verhage, directors.

During installation ceremonies, Lion Don Hollingshead received special honor as founder and editor of By-Lions, the monthly bulletin. The Lions will again do their part in the Fall festival, sponsored by the Recreation Commission, by operating one of the booths. Wayne Ackerson is chairman for this project. Co-chairman are Lyle Nelson, William Kopp, and Kenneth Fulton.

Reservations Required to Use Ball Diamond

Because of a misunderstanding over use of the ball diamond in Memorial park in Tinley, residents are reminded that in order for a team or a group to use the ball field, a permit must first be secured from the park commissioner.

Last Sunday when the local police team was playing a scheduled game, another group appeared wishing to use the ball diamond. The police department, wishing only to enforce the park rules, advised them they could not do so.

Unfortunately some ill-advised citizens complained to the police department about their action.

Reservations for use of the diamond, which is booked early in summer by those desiring to use it, may be made with Selby Hirsch, park commissioner.

Illinois farmers whose crops have been flooded out by recent rains can still plant early maturing varieties of soybean after July 1.

Woman Hurt When Car Hits Sign After Going off Roadway

Alice Arneson, a resident of Oak Park, was injured when she drove her 1958 Ford off the roadway at 182nd and Oak Park ave., Tinley Park, last Friday. She was taken to St. James hospital in Chicago Heights.

Also damaged when the car caromed off the highway, was a recently installed Chamber of Commerce sign.

Hope to Reduce Auto Accidents by Installing Posts

The posts being installed between 170th and 171st sts. on Oak Park ave., Tinley Park should decrease traffic accidents.

The work is being done by the state thru the efforts of the local police chief, Harold C. Moore, who states that 75 per cent of all traffic accidents in the village are caused by motorists backing out into traffic.

The posts, spaced six feet apart, are being installed 17 feet from the center line on the west side of Oak Park ave.

Boys Turn BB Gun Against Statue on Convent Grounds

Two Tinley Park juveniles made restitution for damage they committed on the grounds of the Villa Santa Maria on Oak Forest ave. last Sunday.

The boys broke lights on a religious statue with BB guns. The Tinley police department warn parents of the danger of illicit use of BB guns, reminding them that two years ago a Tinley Park boy lost an eye in such an accident.

Administer Oxygen to Man Suffering Penicillin Reaction

A reported reaction from a dose of penicillin caused Everett Willman of Markham to collapse in the office of Dr. Joseph Gonzalez in Tinley Park Monday. He was revived by oxygen administered by the fire department.

Willman was taken to Hazel Crest hospital and released Tuesday afternoon.

Tinley Woman Reports Purse Gone

Mrs. Helen Maciukenas, of 17847 Harlem ave., Tinley Park, reported to police that a small change purse containing \$53 was either lost or stolen at the Bremen State bank Saturday.

Missing the purse, Mrs. Maciukenas stated she returned to the bank, but the purse was gone.

Editorials

Researcher Discusses School Needs

It is not on record that the National Education Association has sent up rockets or urged dancing in the streets to hail a study on "School Needs in the Decade Ahead" recently released by the Institute for Social Science Research at Washington, D. C., but the Taxpayers' Federation of Illinois likes it very much.

We must say that parts of it appeals to us too and that we agree with the Taxpayers' Federation that the study is a "down to earth analysis of school needs."

It was prepared by Roger A. Freeman, who is nationally known for his work on public finance, intergovernmental relations and education. He was research director for the education committee of President Eisenhower's commission in intergovernmental relations and was a consultant on school finance when the White House conference on education was held.

Mr. Freeman's dissertation on school needs covers 300 pages and is the first volume of a study project on the financing of public schools.

The report now released contains too much material to be dealt with here but we do have space to mention some of the popular beliefs

concerning education which are examined and in many instances refuted in "School Needs in the Decade Ahead."

One is that lack of money is the root of all inadequacies in education. Actually, it is brought out, expenditures for public schools have multiplied 60 fold since 1900, while a smaller percentage of the nation's population is enrolled therein than there was in 1900.

Another belief is that smaller classes afford greater learning opportunities. According to Freeman the findings in the majority of several dozen research studies more often showed academic achievement to be higher in larger classes.

It is also popular to assume that teachers are underpaid. Actually SOME teachers are underpaid—not THE teachers.

Popular belief has it that the teacher shortage is due largely to poor pay. Freeman says more persons are leaving non-school jobs for teaching than quit teaching to accept private employment.

Freeman's report points out that while substantial boosts in school funds in the years ahead are inevitable, the size of the increase depends, above all, on how efficiently school funds are spent.

Tinley Youth in Navy, Enjoys Cruise to Spain

Orville Knieriem, U.S. Navy, son of Mr. and Mrs. William Knieriem, Tinley Park, has arrived in Spain after a 19-day cruise in calm seas, according to a letter to his parents.

He found that the dollar bill is worth only 54 cents in Spain but then things are cheaper. A bottle of beer, for instance sells for seven cents.

Knieriem is taking an advanced course in mechanics and has hope of coming up with a new rating next month. He asked his parents to have his address published in the hope of getting letters from his friends.

The address is:
Orville Knieriem

Cooper's Grove New School Gets Official O. K.

Final approval of plans and specifications for new school buildings in distressed Illinois school districts was given last Friday by the Illinois School Building Commission at its regular session here. It was announced by Vernon L. Nickell, Will county superintendent of public instruction and ex-officio secretary of the commission.

The affected districts were Plainfield unit district 202, in Will and Kendall counties, and Cooper's Grove elementary district 160, in southwest Cook county. Both districts had previously applied to the commission for building aid, showing the existence of insufficient classroom space for at least 110 pupils in average daily attendance at the start of the forthcoming school year and also showing an insufficiency of bonding power to effect the necessary construction. Having received tentative approval, both districts in accordance with enabling statutes, approved participation in the state program by a referendum of the district, after which final approvals were granted by the commission.

One District Turned Down
The Cooper's Grove district, under its approval, will erect

a six classroom school unit with a multi-purpose room. The Plainfield unit will construct two units, one an eight-classroom unit to be attached to an existing school structure and a new eight room unit with a multi-purpose room.

The approved plans of the two districts had received prior approval from county superintendents of schools, Nickell's office and the office of the state fire marshal, all of which are required before commission approval can be granted.

In other business the commission granted two additional tentative approvals for building aid under the commission program. The districts receiving approval were Whig

Hill elementary district 66 in Winnebago county and Lee Center unit district 271 in Lee county. The commission rejected tentative approval of an application from Guilford Center elementary district 62, also in Winnebago county, inasmuch as a need for classroom space to accommodate a minimum of 110 pupils in average daily attendance for the forthcoming year was not shown.

The commission granted final approvals for aid today to Fairmount elementary district 89 in Will county and to River Road elementary district 78 in northwest Cook county. Both districts, having received prior tentative approvals, have received voter support by referendum to participate in the program, as requirement for final application approval by the commission.

On Second Thot

by
G. F. L.

Description of the vivid colors of autumn have run to millions of words in prose or verse but fewer writers attempt to deal with the greens of summer.

The Irish are credited with saying there are but two colors—light green and dark green.

This seems to be almost a libel against a people with the imagination that the Irish have—that see and talk with the Little People and the fairies, and hear the banshee and have the love of song and poetry so strong in them now as to charm the ears off a stone statue.

The countryside in summer shows so many greens that one finds himself without the words to describe them. They shift and change with the light and whether the day be fair or wet. The dew brings out a different green than the rain, for instance.

One expert on colored stones describes a good emerald as having the color of new wet grass.

Clumps of trees may be a blue green, a forest may look almost black and the fields are vast checkerboards with all the squares in different hues of green.

If you can get out in the country to enjoy this ever-changing panorama of green it is well worth the time and energy. A hill tops makes a wonderful vantage point from which to view this delightful picture.

Try to catch it from a car window is not satisfactory. It is dangerous too. Driving along a highway today is like sitting in a poker game with strangers.

You remember the tobacco chewing poker player who was dressed in the height of fashion but whose white shirt front was deeply stained with tobacco juice.

With strangers in the game with table stakes prevailing, he explained, he was afraid to turn his head to spit.

A person driving along a highway today is taking a fearful chance if he turns his head for a look at scenery or anything else.

The editors of "Changing Times" carry a hopeful note relative to new car situation . . . they say that the 1959 models will have a little less horsepower.

They could have a whole lot less horsepower and everyone would be better off.

There's no more need for 200 and 300 h. p. engines in passenger cars than a hole in the head. As a matter of fact this high horsepower has resulted in too many persons winding up with a fatal hole in the head.

And speaking of automobiles it is said that the 1959

Description of the vivid color and carry larger wind-

shields, more chrome and more colored anodized aluminum trim. Fins will be wider and higher and— heaven help us—some will have ornaments on the front fenders.

Crossed pedestrians would be in keeping with the trend.

The new postal rates on first class mail will become effective Aug. 1. At that time it will cost four cents to mail a letter, seven if it is going air mail and three cents for postcards.

A young lady in the front office who already has purchased her Christmas cards points out that by heeding the annual plea of the post-office to mail them early she can save money . . . but wonder what her friends would think if they should get a snow scene and a Merry Christmas message in July.

And speaking of mail don't forget to put on enough postage. Beginning July 1 the recipient of a piece of mail on

which postage is due must not only pay that amount but a nickel to boot, as penalty.

Of course if the envelope contained a pound of 10-dollar bills one could afford a five-cent penalty.

The odor from Tinley creek is more than somewhat apparent these warm days and no one is apt to mistake it for Chanel No. 5.

Penny Flame Introduces: NEW RCA Whirlpool GAS Ice-Maker Refrigerator

3 Great Appliances in 1

- ★ AUTOMATIC ICE-MAKER
- ★ SILENT REFRIGERATOR
- ★ 70-LB. FREEZER

Think of it! A 3-in-1 Refrigerator-Freezer that makes sparkling ice cubes automatically. No trays to empty—spill—or forget to refill! and . . . it defrosts itself—automatically!

Powered by a tiny jet GAS flame, the new RCA Whirlpool GAS Refrigerator has NO moving parts in the freezing unit, NO noisy motor to wear out and fail—only silent, constant cold that's the newest, greatest advance in automatic refrigeration.

Modern, new styling is years ahead of the rest in lovely looks. So thrifty to operate, too.

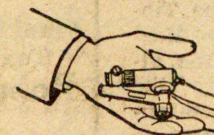

Visit our nearest store today—learn about our generous trade-in allowance. You'll find it's especially easy to own one!

Giant Frozen Food Compartment

Holds 70 pounds of frozen food in separate compartment with separate door. Roomy enough to stock up on food bargains, meats, desserts for days ahead!

Refrigerator door features handy compartments for special foods; color-keyed interiors.

Simple, Silent Freezing System

An engineering marvel—this simple, dependable burner takes the place of expensive, complicated motors and compressors that wear out and cause noise. Because it has no moving parts, you get permanent silence, longer life and fewer service problems. Thus, you'll get money-saving economy—year after year after year.

Exclusive Magic Ice-Maker

Automatically replaces every cube you use—without trays! Like magic, the Ice-Maker runs its own water, freezes half-moon Ice-Circles, pops them out so they dry off and won't stick together, then stores them in a handsome basket. Keeps 10 ordinary trays full!

10-YEAR WARRANTY

Longest...Strongest...Guarantee Available!

Full 10-year warranty on GAS refrigeration unit—plus full-year warranty on complete refrigerator. You'll save plenty of money and plenty of trouble with this dependable GAS Refrigerator-Freezer. It's backed by two of the greatest names in household appliances!

Tigers Turn Back Robbins Yanks 6 to 4

Will Take on League Leading Midlothian Outfit This Sunday

The Tinley Park Tigers climbed back on the win wagon last Sunday, whipping the much improved Yanks of Robbins 6 to 4 behind the able pitching of Paul "Slim" Schultz, and is now drilling for its meeting this Sunday with the league leading Midlothian. The game is scheduled for 2 o'clock and will be played at 144th and Homan, Midlothian.

The Midlothian Blues have six wins against no defeats with the last win—the one last Sunday—for free. The Markham Colts, who appear to have difficulty in getting to their own park by game time, failed to show and Midlothian won by forfeit.

The Blues have clung to top place in the south section of the Cook County Police league largely thru the efforts of their pitching staff. Midlothian has three starting pitchers that have excellent stuff.

The Tigers have another talented mound performer now in the person of Paul Schultz and he and the Iron Man, "Waddell" Bressi are a tough combination.

Drill Batters
Midlothian has been weak in the hitting department so if they can be curbed Sunday the Tigers have a good chance to move into a tie for first place. So far Tinley has lost but one game.

Manager Lyman Anfield and Coach Noble are working with the Tigers this week on their hitting. There are three games remaining on the Tigers schedule, the one Sunday at Midlothian, a game Aug. 3 against Orland Park, and one Aug. 10 with Matteson. The last two games will be played at Tinley Park.

In the only other game played last Sunday the Mascots of Robbins, heretofore regarded lightly, nosed out Orland 8 to 7 for its third win in a row. The Mascots now have lost two, Matteson one, and Orland three. If Midlothian should crack, the title would be up for grabs.

In the tilt against the Yanks Sunday, Schultz looked very good on the mound for Tinley. He gave up four hits and three walks to win his first start.

Schultz is only 14 years old and if brought along slowly he should develop into a very fair hand.

Start Scoring Early
The Yanks started the scoring in the first inning when Gunn walked, stole third and came home on an infield out. The Tigers tied it up in their half of the inning on a double by Eggert and a single by "Yogurt" Haehnlein, of Mokena. Robbins added a run in the third and another in the fourth on one hit, two walks and some miscues.

Eggert, Miller, Schultz and Koning collaborated to push two runs across in the fourth and fifth Eggert came up again after Romenghi had singled and Coley worked the pitcher for a pass. Eggert proceeded to drive a long triple into left field to score the two runners for what turned out to be the winning runs.

Two Games Protested
Robbins threw a scare into the Tinley followers when they scored in the sixth to make it 5 to 4 but when the Tigers came to bat in that frame Bressi added an insurance run by stealing home.

Two of the games played July 6 are protested. The Tinleys are protesting the Mascots' win because of three alleged missed calls by the umpire and in the Midlothian-Matteson game the Mattesons

New Lenox Lions Will Sponsor Small Fry Tournament Aug. 2-3

The New Lenox Lions club is sponsoring a tournament for Small Fry baseball teams in the Lincoln-Way area to be staged on the diamond built by the Lions on the park site the Veterans of Foreign Wars are developing at New Lenox. The dates set are Aug. 2 and 3.

Should the games be rained out they will be played the following week-end.

Mokena, Frankfort, Manhattan and New Lenox will each have a team ready for the tournament.

Drawings to determine the pairings will be made at the Lions festival Saturday night, July 26.

The committee in charge is planning programs to be offered between games. The tournament, it was pointed out, will provide an opportunity not only to see some exciting games but also how the Lions are spending the funds collected thru their various endeavors that have been earmarked for development of the ball diamond.

The land has been donated by the VFW.

Palos Knocks Tinley Out of L. L. Tourney

The Palos Heights Little League beat Tinley Park 4-3 in the first game in the area tournament played at Palos Monday night.

The winning team's ten men and the rain spelled defeat to the Tinley tournament called at the end of the fifth stars, when the game was inning.

The winning pitcher, Belene, gave up four hits.

Altho Howard Wille was the losing pitcher, he pitched one of the best games of his Little League career.

On behalf of the Tinley Park Little League personnel, president Francis Meakim, extends congratulations to the players for their fine exhibition of sportsmanship and ability.

Score by innings:

	1	2	3	4	5
Tinley	1	0	1	1	0-3
Palos	0	2	0	1	1-4

Drop balls, made of Ni-Hard nickel-chromium iron and weighing up to 20 tons, are used in quarries to crush hard rock.

were shut off by a double play that led to their defeat. The Mattesons claim that the occurred had the umpire followed the rule would not have allowed the infield fly rule as he should.

The Rev. Randolph Hahn, pastor of Zion Lutheran church, gave prayer prior to the game.

Ran Road Race Each Week to Drive Midgets

Driving around the Joliet Memorial stadium track in the midget auto races next Saturday night will be a snap for Bernie Wilhelmi compared to what he once drove just to get there each week-end.

Wilhelmi, who lives in Joliet, was in the Army last year, stationed at Fort Knox, Ky. The 30-year-old track veteran used to make the trip each week-end—400 miles one way.

Four Heat Races
Wilhelmi remains one of the track's leading drivers, usually finishing well up in the money. He received his army discharge last August.

Among the top pilots who will be in action Saturday are Bob Tattersall of Streator, Sam Robinson and Russ Sweeder of Joliet, Bob Chapman and Mac McDowell of Aurora and Willie Wildhaber of Lexington, Ill.

On the program will be four heat races, a handicap, 15 lap semifeature and 25 lap feature. Time trials start at 7:30 p.m. and the first race at 8:30 p.m.

Zion Lutheran Lead Close Race in Tinley Church Softball Loop

With the 1958 softball season gaining momentum, the Tinley Park Church league shows very good balance, which promises a good race right down to the finish.

Although the last place Reformed team has failed to win in its first three tries it has the ability to knock off any team in the league. This was demonstrated several weeks ago when the narrowly missed beating Zion Lutheran.

With the Methodist and Catholic teams within close striking range of the first place Lutherans, interest is growing. There has been a consistent increase in spectators at each game.

Last week St. George came to life, and nudged first place Zion Lutheran 13-11. Friday the first shut-out of the season night Ken Webster racked up as the Methodists walked over Reformed church 28-0.

This week Zion Lutheran played Reformed Wednesday, and on Friday St. George will meet the second place Methodists.

All games are played at the Memorial Park softball field, every Wednesday and Friday evening at 7 p.m.

Trap Shooters Have Good Day at Hecht Farm

The Frankfort Sportsmen's club, which leases shooting grounds on the William Hecht farm, 191st street and U. S. 45 was pleased with the turn out for the trapshoot staged there last Sunday. There were 22 teams of three men each that shot at the clay targets.

There was a rifle shoot too, with the heavy calibre predominating. This is one of the few places in the Chicago area where there is sufficient room and protection for shooting heavy calibre pieces.

Shooters were in attendance Sunday from Chicago, Oak Lawn, New Lenox, Harvey, Midlothian, Manhattan, Tinley and other nearby communities including, of course, Mokena and Frankfort.

In about two weeks the club will begin putting out young pheasants. The chicks are placed in pens with seven-foot sides. When they can sail over the sides the pheasants are reckoned to be large enough to be on their own.

The club is discussing plans for a clubhouse.

Milton Geuthers Return After Three-Week Vacation in Europe

Mr. and Mrs. Milton Geuthers returned Sunday from a three week vacation trip to Europe. Traveling by air, they visited cities and historic spots in Germany, Belgium, Holland and Spain. The return flight was non-stop from Lisbon, Portugal. Highlights of the trip are a visit with August Eilers and family at Barkel, Germany. Mr. Eilers at one time worked for the A. C. Geuthers at Frankfort. They also visited relatives in Madrid, Spain.

Miss Jean I. Sagan, daughter of Mr. and Mrs. William Sagan of 194th and Wolf Rd., was recently installed as first vice president of Lake Shore chapter, National Secretaries association (International). This is a professional organization for all secretaries in business whether legal, medical or any of the many specialized fields and boasts a membership internationally of over 18,000 women; Lake Shore chapter has over 400 members. Miss Sagan is secretary to Johnathan Bowman, vice president of Bowman Dairy company. Miss Sagan will also attend the Association's international convention in Minneapolis, Minn., from July 16 to 19 as campaign manager for the re-

election of Miss Claire Jennings for International president. Miss Jennings is also a member of Lake Shore chapter and is secretary to Charles B. Hankel, Jr., attorney.

Mr. and Mrs. Edwin Oldendorf returned last Wednesday from a motor trip to Jacksonville, Fla., where they visited with their son, Kenneth, who is stationed at the naval air station at Jacksonville. He expects to be home on leave some time in August. Mr. and Mrs. Herb Stege of Matteson accompanied them on their trip.

The wives of the Wayfarer's members entertained at dinner Sunday for the members at the Keltie's restaurant on 95th st. There were 31 present. After the dinner the group motored to the home of Mr. and Mrs. Mac Bottema in Beverly Hills, where a

social evening was enjoyed. Supper was served there and all enjoyed visiting with their former Mokena residents, the Bottema's.

The Young People's Society of the Immanuel Lutheran church have planned a hay rack ride for this Saturday, July 19. They will meet at the church at 7:30 p.m. Any member may bring a guest. There will be a small charge made for refreshments which will be served after the ride.

Pastor Witte of the Immanuel Lutheran church was the speaker last Sunday afternoon at the anniversary festival of the Lutheran home for the aged at Arlington Heights. Attending from Mokena were the Chester Ebert and William Ihde families and Miss Clara Roesner.

Mr. and Mrs. Roy Newton entertained at their home last Sunday at a Newton family reunion. Pot luck dinner was served on the lawn at noon and games were enjoyed during the afternoon. Present were Mr. and Mrs. Jack Newton, Frankfort; Mr. and Mrs. Fred Burger and family, Hammond, Ind.; from Mokena were Mr. and Mrs. Gene Newton and daughter Penny, Mr. and Mrs. Blain Saxton and children, and Mrs. Bessie Newton.

James Hearn of 194th st., who underwent surgery in Silver Cross hospital several weeks ago, suffered a relapse Monday and was returned by ambulance to the hospital.

Mr. and Mrs. Kenneth Smith and daughter, Sally, of Rochelle, were guests Saturday and Sunday of Mrs. Margaret Semmler and family. The Smiths went to see the Cub game in Chicago Sunday afternoon. Sally, 11 years old, who is an ardent Cub fan, was pleased that the Cubs won a double header, it being the first big league game she had witnessed.

The Immanuel Lutheran church will hold their annual Sunday school picnic Sunday, July 27, in the village park adjoining the church. The Ladies Aid society will be in charge of the dinner which will be served at a modest price; the Ruth circle will be in charge of the grab bag.

STRANGE Tales

ABOUT PROTESTANTS

Strange tales are being circulated about Bible-believing Protestants.

The rumor has been circulated that these Protestants do not belong to the "true church." It is being said that the Protestant faith started in the 16th century. You can hear it said that this Protestant faith was founded by "corrupt" leaders... and that they started a new kind of Christianity.

The Bible gives us an accurate account of how the Christian Church began. The early Christians obeyed Christ's command to "preach the Gospel to every creature." The Bible says they "went everywhere preaching the Word." As a result, groups of Christians sprang up all over the known world.

These scattered groups of believers, independent of one another, were united only in their faith in the Bible message... that "Christ died for our sins according to the scriptures." (1 Corinthians 15:3)

The Church in the first century was not an organization; it consisted of groups of individual believers. The true Church today is not an organization, nor a group of organizations. It is the total number of those who are believers in the Bible message of salvation.

The basis of membership in the true Church has not changed since the first century... it has never been by sacraments or by membership in any church organization... it has always been by spiritual birth, as Christ explained to Nicodemus, "Except a man be born again he cannot see the kingdom of God." (John 3:3)

You may have other questions about the true New Testament Church, and about membership in a local Bible-believing church. Many of your questions are answered in an interesting FREE pamphlet which will be sent to you if you mail the following:

THE NATIONAL ASSOCIATION OF EVANGELICALS

Box 7411, Washington 4, D. C.

and the Sunday school teachers will provide prizes for the athletic contests for the children.

Mrs. Lorraine Lee and children, Janice, Nancy and Norman, of Mendon, Mich., spent Sunday with the John Hublers. Nancy remained here for a week's vacation.

Mr. and Mrs. Wesley Sievert, who returned July 4 from their Eastern honeymoon trip, are nicely settled in their new home in the upper apartment of the George Boyce residence on First street.

Mr. and Mrs. John Hubler entertained at a barbecue on their lawn Monday evening. Guests were Nancy Lee, Terrie, Cheryl and Jerry Hearn. Everyone had a good time.

Mrs. Henry Shevlin returned from Silver Cross hospital last Friday where she was a patient for several days.

Mr. and Mrs. John Reed and children of Vandalia, Mich., called at the homes of

Mr. and Mrs. Marvin Smith and Mr. and Mrs. Ray Westlund last Saturday. Mrs. Reed, the former Dorothy Storey, lived in Mokena a number of years ago. She enjoyed meeting some of her schoolmates and roaming thru the village, noting the many changes since she lived here as a child. In the afternoon they visited the Brookfield zoo.

Mrs. Jessie Sippel has entered the Methodist Home at Marionville, Mo. She returned to Mokena Tuesday visiting at the home of her son, Mr. and Mrs. Robert Gilmore and family, leaving today.

Mrs. Sippel states she is very happy in her new home and enjoys the friends there and the location. She would be very happy to hear from her Mokena friends at any time.

There are two kinds of women, those that men look up to and those they look around at.—CHANGING TIMES.

Architect's Drawing of Christ Community Hospital

Construction of Christ Community hospital at 95th and S. Ostner ave., Oak Lawn, is to begin in October if present plans of directors, building committee and architects are carried out, was announced last week by the Rev. Paul F. Umbeck, president of the board of the Evangelical Hospital Association of Chicago.

There are 20 acres in the site. Plans call for a 5-story hospital with 214 beds but is designed for expansion to 450 beds. It will require four additional floors and the required length for this will be included in the structural design. Construction is to be of fireproof type, with a reinforced concrete frame and light colored face brick exterior walls. The original capacity calls for 136 medical and surgical beds, 12 maternity beds and 32 beds for children.

Post Offices Will Have New Stamps Soon

Postmasters in the area announce that plenty of stamps and postal cards are expected to be on hand for sale Aug. 1, to meet new postage rates which become effective then. The Post Office department has been issuing new stamps, stamped envelopes and postal cards to post offices for several weeks in anticipation of the new rate changes.

Large additional supplies of the regular 4c stamp, bearing the likeness of Abraham Lincoln, are being received here to meet the new first-class letter rate of 4c and 6c. In addition, issues of special stamps and commemorative stamps will be available at the local post office in 4c denominations.

A new "Champion of Liberty" stamp, honoring Simon Oliver, the late great South American liberator, will be on sale at the local post office July 25, in 4c and 8c denominations. (The 8c stamp is in international mail.)

Adequate supplies also are expected in other stamps, cards and envelopes, including new 7c air mail stamps, placing the 6c air mail stamps; 3c postal cards replacing the 2c cards; 5c air mail postal cards replacing the 4c air mail postal cards; and 4c and 7c stamped envelopes to be used in place of the 6c stamped envelopes. "Picture" post cards will require 3c stamps for surface transportation and 5c stamps for air transportation. Ample supplies of 3c and 5c stamps are expected to meet anticipated demand for these stamps.

Old supplies of 3 and 6c stamps, 2 and 4c postal cards

CYCLOGY 322

THE FACT THAT A MAN CAN RUN DOWN A PAIR OF RUBBER HEELS DOESN'T MAKE HIM A DETECTIVE.

Air conditioning will be provided for surgery, obstetrics and nurseries. The remainder of the hospital has provisions for air conditioning when the money becomes available.

There will be parking facilities to accommodate more than 200 cars and additional space for 71 cars as requirements increase.

Major facilities are to be housed in separate buildings, such as the service unit for heating, laundry etc., and the school of nursing with room for 80 students. This group of smaller buildings rather than one large building will be more in character with the residential atmosphere of the neighborhood. The entire site will be landscaped. Burnham and Hammond, Chicago, are the architects.

FRANKFORT INVITES—

(Continued from Page 1)

away prizes—cash and merchandise—in celebration of this first Town and Country Jamboree Day at Frankfort. More than 75 prizes have been offered to date and according to the committee in charge there will be more.

No one has to buy anything to be eligible for any of the prizes, it was stated. Winners will be announced every half hour.

Many of the merchants are planning to hold open house for friends and customers and all persons in the area are invited to help Frankfort celebrate its first Jamboree Day.

Merchants Offer Dollar Day Bargains

Today, tomorrow and Saturday are Dollar Days at Tinley Park and there the participating merchants offer a large and varied number of bargains.

Ads setting forth these advantageous buys are in this issue of the Tinley Park Times and as such they are recommended reading.

To help talk up good times, we remind you that our standard of living has risen to undreamed-of levels. In the 1930's, you bought an apple to help the unemployed. Now you've got to buy an auto.

& CHANGING TIMES
Rhode Island was the first state in the Union to build its own airport.

Appointment of Dr. John Cutler Made Permanent

Gov. William G. Stratton has officially announced the appointment of Dr. John L. Cutler as superintendent of the Tinley Park State hospital. Dr. Cutler has been acting head of the institution since it opened.

Previously, Dr. Cutler had served on the staff of the Elgin State hospital.

He joined the Illinois Department of Welfare after relinquishing a private practice at Scottsbluff, Neb.

A native of Nebraska, he grew up in Illinois and received his medical degree from the University of Illinois.

Illinois nurserymen are planning their second annual short course for June 25 and 26 at the Morton Arboretum, Lisle, Illinois, on state highway 53.

Science Solves Your Water Problem Electric FILTER-ALL

Amazing new FILTER-ALL appliance removes iron, rust, sand, silt, softened water, eliminates most foreign matter from water. Discharging all iron, rust, etc., directly into your drain. Utilizing the catalyst principle, used by industry for almost 20 years. NOW FOR THE FIRST TIME priced to fit everyone's budget. Nothing else like it. As automatic as your hot water heater.

Just Plug It In and Enjoy It
No Salt - No Chemicals
No Regeneration - No Maintenance or Upkeep - No Operating Expenses

You read about it in Science Digest and Newspapers everywhere.

1. Enjoy softer, better tasting water
2. Stop iron and rust stains
3. Increase life of plumbing and hot water heaters
4. Removes unpleasant taste and odors
5. Unconditionally Guaranteed
6. Economical - Only a few cents per month for electricity.

"LIKE BOTTLED WATER FROM YOUR TAP"
"FILTER-ALL" is compact, permanent and needs little space for installation. It is only 8 inches in diameter and 48 inches tall.

NO OBLIGATION - MAIL COUPON TODAY!

I am interested in softer and iron free water.

WHAT IF IT IS 90 DEGREES? Hot weather is great stuff, when you are young and busy all day at play. And if there are times when it is uncomfortable it more than has its compensation in moments like this when one gets on the outside of a king-size cone, with never a thought of calories. This picture was taken in the Orland Oaks, an eating and ice cream place operated by Earl Enders at 9959 143rd st., Orland Park, where a perspiring photogra-

pher paused for refreshment. The busy quartet here (l to r) is Curt and Bobby Bibeau, Janice Johnson and another Bibeau, Cheryl. The Bibeus are children of Mr. and Mrs. Robert Bibeau. Janice is the daughter of Mr. and Mrs. George A. Johnson, Orland Park. The two youngsters standing are not in the place. They are outside looking thru the window. (Marvin Smith photo)

50 Minuth Dancers Entertain at Dwight Veterans Hospital

By DELORES ANDERSON
Phone New Lenox 3651

Mrs. Mildred Minuth of the Minuth School of Dance, presented 50 pupils in a condensation of her show, "Show Boat, Show Me" for the soldiers at the Veterans hospital in Dwight Wednesday.

On July 29, several of her students will demonstrate her teaching at a school in Chicago, where Mrs. Minuth is a member of the faculty.

Six of her student baton twirlers who have earned their medals will enter competition at Evergreen Park Sunday, July 20. They are Faye Anderson, Virginia McCulloch, Joyce and Jean Smith, Joyce Seals, and Pamela Stankus. They will compete as soloists, duets and as a corps.

The New Lenox Garden club met July 10 in the home of Mrs. Nick Skiniotes, 341 Francis road. Cohostesses were Mrs. Frank Vally, Mrs. Romaine Hanson, and Mrs. Janice Jencon.

After the meeting the group inspected the flower garden at the Skiniotes home, and then made a tour of the lawns of Mrs. Thor Larsen, president of the club. Mrs. Albert Schumuhl, and Mrs. O. V. Rowe. Members especially enjoyed the fish pond and rock garden on the Larsen grounds, designed by Mr. Larsen, with running water and colored lights for night effect.

Visitors from Kentucky
Mrs. Robert M. Gillette and Miss Charlyn Gillette returned to their home Tuesday at Lexington, Ky. after spending several days here visiting relatives and friends. Former residents of New Lenox, they resided at 116 Hickory st., before moving to Kentucky five years ago. While here they attended the Pugett family reunion Sunday.

Karen Brauh and Virginia Feil are vacationing on Cran-

berry Lake, Jackson, Mich., with Karen's grandparents, Mr. and Mrs. Ray Osmus, Sue Ann Braun and Pamela Hartung returned home last week from a 10 day vacation spent there.

Mr. and Mrs. Howard Ayres and Mr. and Mrs. William Ayres and children Jane, Ann and Billy returned Friday from a week's vacation at the Roy Dowle cottage on Currie Lake at Harshaw, Wis.

Meet in Haven School
The New Lenox Unit of Home Bureau will meet Thursday, July 24th, at the Haven school, instead of the Lions Den as previously announced. Mrs. Ernest Rydberg, Mrs. Ben Martin, Mrs. George Close and Mrs. Davis Gougar will be hostesses. The 4H girls will demonstrate clothing that they have made, and cooking. All 4H mothers are welcome to attend.

Mrs. Emmett Sullivan and Mrs. Louis Kolbe were hostesses at the meeting of the Womens Guild of Grace Episcopal church, Thursday night. Plans were completed for the annual carnival which will be held Saturday night on the church lawn.

The Rev. and Mrs. Alfred H. Hunter and son and daughter, from Walnut, Ill. moved into the Methodist parsonage on Haven avenue this week. Rev. Hunter was recently appointed pastor here, and officiated at

Auxiliary Police Join Mokena in Civil Defense

By MRS. EMILE WILLE
Phone Frankfort 3161

The Auxiliary police of Will County are joining with the Mokena Civil Defense Unit. A. A. Dina, civil defense director of Mokena will attend the next meeting of the Auxiliary police to swear in members. The meeting will be held in the Ann Rutledge school Sunday evening, July 20.

Mr. and Mrs. Emerth Boyden returned last Tuesday from their vacation. They spent a week with Mr. and Mrs. Garland Allison at Ashland, Wis.

Mr. and Mrs. Emerth Boyden and their little granddaughter, Pamela Wroblewski of Gary, Ind., attended a garden party at the home of

here with his aunt, Mrs. Octavia Pugh.

Members of the Walther League and the Womens League of the Trinity Lutheran church will sponsor their annual ice cream social Sunday July 20, at 7 o'clock. Those in charge of the affair are, The Misses Dona Anderson, Marilyn Schultz, Ruth Benck, and Mrs. Herman Benck and Mrs. John Olsen.

Farewell Party
Approximately 200 attended the farewell party given recently for Rev. and Mrs. Geo. Martin and family, who left last week for their new home at McHenry, where Rev. Martin will be pastor of the McHenry Community Methodist church.

Refreshments were served following a social evening, and the honored guests were presented with a gift of \$100.

Mrs. Carl Zanger of Sandusky, Ohio is visiting here with her daughter and family Mr. and Mrs. Roy Dowle and family, Haven ave.

The Methodist Men's club held their annual steak fry last night, at the Lincoln Way High school picnic grounds.

Exhibits Art Work
Kenneth Kinney, 240 West Francis road, is among the Indiana State teachers college alumni displaying art work in the college's alumni exhibition which opened May 31 and will run thru Sept. 24.

Forty nine graduates of the school are displaying their work in the exhibit in the art gallery on the State campus.

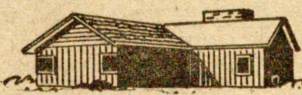

Kinney, a '49 graduate, has five pieces on display including a plastic mosaic clown, tooled leather purse, enamel ashtray, enamel pendant and earrings, and two sets of plastic earrings.

Miss Helen Francis left July 8 for New York where she will join a group sailing on the Cunard line M. V. Britannic for a trip to the British Isles and the Scandinavian countries. She will visit Ireland, Wales, England, Scotland, Norway, Sweden and Denmark, and return to the United States the last week of August.

Mr. and Mrs. Lee Whitlow have returned to their home at Columbus, Ohio after visiting

400 Take Part in Achievement Day Program of 4-H at Tinley Park

Members of all 4H groups met July 9 for an all day affair at Tinley Methodist church. More than 400 young people brought their exhibits and enjoyed a day of exchange of ideas and fellowship. One group participating was the Helping Hands, a Tinley Park 4 H club.

The morning session was given over to flower arrangements and in the afternoon, club members modeled clothing which they had made.

At the close of the session, three delegates were chosen to compete in the county achievement day held in the Steger area on July 18. Those selected from this area as representatives are Judy Blivich for clothing, Dorothy Stelter for advanced flower arrangements and Betty Rich for beginner's arrangements.

Other girls representing this group for yesterday's event at Palos Heights on a demonstration meeting were: Dorothy Stelter, Maureen Phillip-

po, Sue Watkins and Sharon Anast.

BLUEBIRDS

Members of the Bluebird 4H club met July 8 for a Cookout at Highland Park. Members of Mrs. James McCures 4H group were guests.

Joan Kestel gave a demonstration on straightening cloth; and gave a talk on keeping the park clean. Cheryl Stoner demonstrated pulling thread for place mats; and Betty Dowle talked on Fires; Carol Hammond talked on picnic courtesy.

Cheryl Owen gave a demonstration on measuring; and Donna Baughn talked about utensils necessary for baking.

Mrs. McCure gave a lesson on first aid, and Mrs. Hallo-way assisted the girls in flower arranging.

CLOVER BELLES

With Margie Andres, vice president conducting the meeting, the Clover Belles met July 11 at the home of Susan Nalepka.

Aug. 10 is the date set for the 4H picnic and it will be held at the home of Margie Andres.

Demonstrations were given by Susan Nalepka, Carol Monson, Lynn Bettenhausen and Christine Klamm.

Margie Kimmel spoke brief-

ly on flower seeds. Guest for the meeting was Judy Lodewegen.

Refreshments were served by Susan and Mrs. Nalepka. The group enjoyed several games, and singing before leaving for home.

BREMEN BEACONS

The Bremen Beacons 4H club held their local achievement program recently at the Robert Nelson home.

Twelve members and 27 guests were present to inspect the exhibits and enjoy the program. In the living room the first year girls displayed skirts and luncheon sets they had made for "You Learn to Sew."

In the den were blouses, skirts or jumpers completed by the second year girls for "You Make Your Own Clothes."

Brownies made by each girl were on exhibit in the kitchen for "A. B. C's of Food."

For "Handicraft" each member brought one article she had made during the year and they were arranged attractively in the dining room.

The program and refreshments were enjoyed in the basement play room. Demonstrations were given by Gay Ann Curry, Cheryl Matson and Judith Feiwel. Recreation was led by Elaine Feiwel. Dress revue was announced by Margaret Ellement and Gay Ann Curry. Barbara Best, Barbara Bonnet, Diane Campbell, Linda Cavanaugh, Janice Gow, Jeanette Nelson and Jean Wille put on a skit.

Twenty song books were presented to the club by Mr. Nelson and Mrs. Nelson gave each member a 4H coin purse for successfully completing the year's work.

William Pitt was prime minister of England at the age of 24.

Orland Legion Auxiliary Unit Elects Delegates to Convention

Mrs. Dorothy Thoms and Mrs. Sarah Myrick of Orland Park unit 526, have been elected delegates to the 38th annual state convention of the American Legion auxiliary to be held in the Palmer House, Chicago, on July 31. Mrs. Emily Zerbs and Mrs. Mabel Ekberg, have been elected alternates.

Approximately 1800 delegates and alternates will be in attendance.

The State President, Mrs. Norman J. Biebel, of Belleville will officiate at all convention sessions. The convention program will include reports of officers and committees, electing officers for the ensuing year and delegates to the national convention.

Mrs. Michael J. Healy of Chicago, is general chairman for the department convention. She has served this past year as state 2nd vice president and Americanism chairman.

The first session will open with a procession of Colors at 9:30 a.m., Thursday, and will continue throughout the day. The afternoon session will include greetings from Mayor Daley of Chicago.

A Busy Session

The Past President's parley dinner will be held Thursday evening at 6:30 p.m. at the Palmer House. On Friday morning, Anthony Badamo, Department Commander of The American Legion, will bring greetings. The afternoon schedule will include the annual election of officers and delegates to the national convention to be held in Chicago, Sept. 1-4, 1958. Mrs. Willard Peterson, of Victoria, is the only announced candidate for the office of state president. She has been a member of the American Legion Auxiliary since 1945, serving this year as 1st vice president and Rehabilitation chairman.

The Department music contest will also be held Friday afternoon.

On Friday evening beginning at 7:55 p.m., the rehabilitation service forum, joint session with The American Legion will be held at Orchestra hall, 216 S. Michigan ave., where there will be entertainment by the patients from Downey VA hospital. Mrs. Lowell C. Allen, of Chicago, director of hospital services, will be in charge. The main address will be given by T. O. Kraabel, of Washington, national director of rehabilitation for the American Legion.

The principal speaker Aug. 2nd, will be the national president of the American Legion auxiliary, Mrs. J. Pat Kelly of Atlanta, Ga.

The unit dinner will be held at the Palmer House Saturday evening. On Sunday morning, at 11 a.m. the Gold Star brunch will be held at the Congress Hotel.

Orland Legion Auxiliary Gives Flag to Scouts

Orland Park Unit 526, the American Legion Auxiliary met at the home of Laura Cooper, Friday evening, July 11. The unit has purchased an American flag which will be presented to Girl Scout troop 576.

Emily Zerbs, Lilah Kruspe, and Lillian Knox were appointed to revise the "Standing" rules of the Unit.

For the therapy project, Lilah has asked for colored yarn, crocheted cotton, fancy buttons and new pieces of cloth. Anyone having such items should contact her.

An invitation has been received from the Thornton unit to attend the joint installation Saturday, July 19 at 8 p.m.

The 8th District installation will be held Aug. 10 at 3 p.m. at 1845 S. Kedzie ave. in Home wood.

Adele Cooper played selections on the piano, also for group singing of patriotic songs. Refreshments were served by Laura Cooper and Elsie Robson.

Fri., July 18—Bakery and food sale, Frankfort Methodist church, 1:30 p.m.
Fri., July 18—Bake and food sale, Frankfort Hardware, by WSCS, starting 1:30 p.m.

Orland Woman's Club to Hold Article Sale

While the Orland Park Woman's club as a whole is dormant during the summer months, the president, Mrs. Karl Ekberg is active in arranging a sale of articles from the Occupational Therapy shop in Oak Forest.

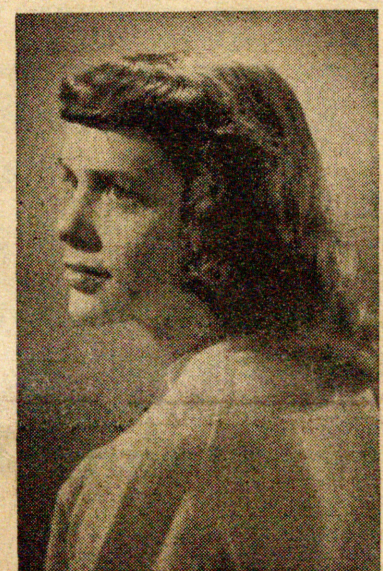

This sale will be held at her home, Saturday, Aug. 2 starting at 9 a.m. There will be such articles as fancy work aprons, jewelry, rugs, stuffed toys, etc. which are ideal for Christmas gifts.

Also active is the Cancer Dressing group which meets the second Wednesday of the month. They did not meet in July, as the Methodist Daily Vacation Bible school held sessions in Wesley Hall, the usual meeting place of the group.

Mark your calendar, Aug. 13 for cancer dressing meet.

Washington Girl to Wed Lester Borms of Tinley Park

Mr. and Mrs. Darl Henckel, 118 Cascade st., Kennewick, Washington, announce the engagement and coming marriage of their daughter Carolyn, to Lester Borms, son of Mr. and Mrs. Orlyn Borms, of Tinley Park.

Carolyn Henckel

riage of their daughter Carolyn, to Lester Borms, son of Mr. and Mrs. Orlyn Borms, of Tinley Park.

The marriage will take place Aug. 22 at 8 p.m. in the First Baptist church at Kennewick. The Rev. Dodson will officiate.

Will County Garden Clubs Plan Fall Show

Members of the executive board of the Will County Federation of Garden clubs had a meeting and luncheon at the White Chimney, Joliet, last week to discuss plans for the Fall flower show.

The Lockport Flower Growers will be hostesses and the Creekside Garden club will be in charge of the flower show itself.

There are 11 clubs in Will county and one of the most active is the group at New Lenox. Mrs. Thorval Larson and Mrs. James Hope, who are members of the New Lenox Garden club, attended the executive board meeting.

The Garden Club shows always attract large crowds.

Unlike ordinary cast iron, ductile iron, which was developed by International Nickel, can be bent or twisted without breaking.

Mrs. Robert Usher, Mrs. Joseph McCormick, Mrs. Rose Grimes, Mrs. Albert M. Swaine, Judy Nelson, Bonnie Jankun, Carol Schultz, Cecelia Lombardo, Maria Rini, Eddie McCarthy and Carol Stevens will model the fashions.

VFW Auxiliary President Makes Appointments

At the special meeting held July 9, in the VFW hall Mokena, the president of the Ladies Auxiliary to William Martin Post 725, Mildred McMillan, made the following appointments for the coming year:

Community service, Mrs. Josephine Benson; Rehabilitation chairman, Mrs. Lucille Long; child welfare, Mrs. Evelyn Moss; cancer chairman, Mrs. Bertha Ziesmer; youth activity, Mrs. Ruth Doctor; legislative, Mrs. McMillan. Grave registrar, Mrs. Louise Hentsch.

Mrs. Helen Murphy, hospital chairman; press and publicity and radio, Mrs. Mary Stein hagen.

Mrs. Alma Peterson was elected delegate and Mrs. Amanda Schuldt, alternate, to the national encampment to be held in New York City Aug. 15, 16 and 17.

The regular Card party will be held on Saturday, Aug. 2 at 8:30 p.m.

Refreshments will be served by the following committee: Mrs. Ruth Doctor, chairman, Mrs. Dorothy Homfeld and Mrs. Josephine Riser.

Engagement and Wedding Plans Are Announced

Dean Rueckert of Mokena, announces the engagement and approaching marriage of his daughter, Fay Ann, to William Eugene George, son of Mr. and Mrs. Louis George of DeKalb.

The wedding will be held at 11:30 a.m. Saturday, July 26, in St. Mary's church, in Sycamore, Ill.

Miscellaneous Shower Given by Aunts for Nephew's Future Bride

Mrs. Lincoln Macaulay of Palos Park and Mrs. John Schumak of Orland Park entertained at a miscellaneous bridal shower, Sunday afternoon, July 6 in the former's home, honoring Miss Mildred Smith, who will be married July 26 to Charles E. Mitchell, nephew of the two hostesses and grandson of Edgar Mitchell of Orland Park.

The bride to be is the daughter of Mr. and Mrs. Elbert Smith of Blue Island. The bridegroom is the son of Mr. and Mrs. Orville Mitchell of 2534 New st., Blue Island.

Various games were played thruout the afternoon with prizes being presented to the winners, with duplicate awards to the bride elect. She received many beautiful gifts.

Refreshments were served buffet style from a table centered with a miniature white umbrella sprinkled with tiny red tea roses, flanked with slender white tapers in five

branched candelabra.

Guests were Dr. Katherine Mitchell, Mrs. Ralph R. Mitchell of Aurora, Mrs. Oliver L. Mitchell Jr. and daughter Martha Lee of Antioch, Mrs. Wm. Carlon, Lockport; Mrs. Clarence Newberry and daughter Vera, Mrs. George Kettwig, Mrs. Jerome Beckman, Mrs. Phyllis Smith, Mrs. Edwin Lawson, Mrs. Theodore Koldziej.

Also Mrs. Earl Sandiford, Mrs. Earleen Scheel, Miss Betty Sandiford, Mrs. Frank Mitchell, and Mrs. Dorothy Desandre all of Joliet. Mrs. Elbert Smith and daughter Mildred, Mrs. Orville Mitchell, of Blue Island, Mrs. Elmer Reidel, Mrs. John Reidel of Chicago and Mrs. Arnold Vollmer of Wisconsin.

The couple will be married at a 7 o'clock candle light ceremony, July 26 in the First Evangelical Lutheran church, Blue Island.

Meet Exchange Student Who Will Attend Lincoln-Way This Fall

Mr. and Mrs. S. J. Sullivan, 108 First ave., New Lenox returned recently by air from a three week trip to England, Denmark, and Sweden.

While in England they visited Mr. Sullivan's daughter, Carol, who attends school at Sidmouth, Devon.

In Denmark, the Sullivans met Miss Ella Jensen of Sovo who will be an exchange student at Lincoln-Way high school this fall.

Carol accompanied them for a week of sightseeing which included trips to London, Hampton's Court, Stratford on Avon, Salisbury Cathedral, Winchester Cathedral and historic spots along the Thames River and thru the south country.

During their stay in England, they were guests of Mr. and Mrs. L. S. Jay, of Surrey, Carol's grandparents, and motored each day to various sightseeing areas.

They visited with the parents of the exchange student, Mr. and Mrs. Jakob Junl Jensen in Denmark.

While trying to locate them, they also met Mr. and Mrs. Ander Rasmussen. Mr. Rasmussen, who is a school teacher, near Ella's home, fortunately spoke English and served as interpreter during the visit since neither Mr. and Mrs. Jensen spoke English. Ella, who speaks English quite fluently, was working in Copenhagen and could not be contacted until the following day.

Both Mr. and Mrs. Sullivan were very impressed with Miss Jensen. She spent an evening with them, having dinner and showing them the sights of Copenhagen. She asked many questions about Lincoln-Way and is most excited about coming to the United States.

In Copenhagen, the Sullivans also visited the Royal Danish Porcelain Showrooms, Tivoli Gardens and several museums and antique shops.

A ferry boat trip from Copenhagen to Malmö, Sweden, completed their trip before their return flight to London and on to Montreal.

Zion Lutheran Ladies Aid to Mark 50th Year

The Zion Lutheran Ladies Aid of Tinley Park will observe its 50th anniversary in September.

Future plans of the organization are for a pickatoria supper by the Sew and Sew club on July 23, the Ladies Aid picnic on Aug. 6, and a white elephant sale on Aug. 21.

There were 31 members present at the July meeting who heard reports, Mrs. Adela Marquardt of the rag rug committee announced no meetings will be held during the summer. Lauretta Ercius of the Big Sister group reported they had been inactive in recent months.

The Sew and Sew club will meet in the home of Mrs. William Rick on July 9.

Hostesses for the afternoon were Mrs. Walter Wehr, Mrs. Milton Carlson, Mrs. Herbert Hopman, and Mrs. Fred Goebel.

President of the Ladies Aid is Mrs. Victor Pokorny.

The element nickel is tough and strong, has high resistance to corrosion, and imparts many of these qualities to the alloys of which it becomes a component.

Cinderella Shop Plans Fashion Show for Dolls

A unique fashion show featuring local girls modeling doll clothes will be open to fashion fanciers from four years and up, Saturday, July 26 in front of the Cinderella shop, 12212 S. Harlem ave., Palos Heights.

Sponsored by the Cinderella Shop and Vogue Dolls, Inc., the show will introduce the latest line of miniature doll wardrobes and accessories created for Ginny, a doll, and her teen age sisters, Jill and Jan, (and for the new teen age boy, Jeff.) There will be no admittance charge, but very young children must be accompanied by an adult.

Wearing replicas of many doll outfits to be seen for the first time, girls from this area will carry dolls with costume matching their own. Background music and a running commentary by Mrs. V. J. Nelson will complete the fashion show effect.

Special prizes will be awarded to many little girls in the audience and free refreshments will be offered to all.

Created by Jennie H. Graves ten years ago, Ginny was the first doll with a complete wardrobe, and played the leading role in the transformation of the nation's doll counters into miniature fashion centers.

Spectators are advised to be at the store by 9:45 a.m. or 1:45 p.m. to insure a good spot as an overflow audience is expected.

Some coloring contest pictures are still available.

Car brakes in top working condition are a must for traffic safety. But so is the ability to use your brakes properly. The Chicago Motor Club advises that you can stop more safely and effectively by pumping brakes rather than by jamming them hard. This technique not only assures safer, smoother stops, but the flashing of your brake lights gives a timely warning to the

Couple Wed in Joliet Church

The wedding of Harry J. Oswald and Miss Norma Fratia of Joliet took place in the English Lutheran church in Joliet Sunday, May 3, at 4 o'clock. The Rev. William J. Boldt officiated at the double ring ceremony. The church altar was decorated with white carnations and palms, and lighted candelabra. The bride is the daughter of Mr. and Mrs. Joseph Fratia of Algonquin st., Joliet, and the groom is the son of Erhard Oswald and the late Henrietta Dolph Oswald of Mokena.

The bride, escorted by her father, wore a white satin gown of ballerina length with a full skirt and tight fitting bodice. Her waist length veil was caught by a white net tiara. She carried a cascade of white stephanata flowers and wore a strand of pearls.

Mrs. Donald Fratia, sister-in-law of the bride, was matron of honor. She wore a ballerina length dress of blue chiffon with a full skirt, a face veil and carried a bouquet of white roses.

The soloist was a companion of the bride from the choir of the Peoples church in Chicago.

Following the ceremony, the reception and dinner was held at the White Fence Farm, after which the couple left by plane for a week's honeymoon in Florida. They are now living in Evanston.

The bride is a graduate of Joliet Township high school and has been a member of the quartet of the choir of the Peoples church in Chicago of which Dr. Preston Bradley is pastor. The groom was also graduated from Joliet Township high school and has been employed for many years as an engineer at the Barco Manufacturing company at Barrington.

In a current University of Illinois experiment, beef cattle on pasture receiving the same rations as cattle in drylot are outgaining the drylot fed cattle.

Illinois farm land values have increased more than farm building values.

Dew Drop Camp Plans Rummage Sale for Aug. 27

The Dew Drop Camp 2023 Royal Neighbors, received two new members at the last meeting. They are Pearl Nitsche and William Diekman, who is a transfer from the juvenile camp.

Members who were reported ill are Alma Jahrmak, a patient in St. Francis hospital, Sally Nolte and Erna Schoeneck.

Juanita Semlow received the award of the evening.

The organization is planning a rummage sale for Aug. 27. Mrs. Cora Douglas is chairman.

At the Aug. 26 meeting, members are requested to bring donations of clothing, etc. to the American Legion hall.

Helen Johnston was appointed special auditor.

Hostesses for the evening were Frieda Roth, Louise Goebel, Harriett Wagner and Edna Mason.

The Oracle Nettie Kunz presided.

Auxiliary Presents Attendance Award to Mrs. Eugene Roe

The VFW Auxiliary to Bremen Post 2751 was well represented at a recent games party sponsored by the Blue Island auxiliary. Attending were Mesdames Peter Seeley, Eugene Roe, M. S. Morrison, L. D. Maxwell, Kenneth Cameron and Bruce Rooney.

At the auxiliary's July 1 meeting, Mrs. Roe received the attendance award.

Sympathies were extended by members to Mrs. Michael Reedy on the recent death of her mother, Mrs. Gertrude Hansen, of Middlethian.

A social meeting was held July 15.

John Paul Jones, one of America's greatest sea heroes of the Revolution, who later fought for Russia when the U. S. disbanded its Navy, died July 18, 1792, at Paris, France. He was en route from the U. S. to Algeria to act as special envoy for President Washington.

LEGAL NOTICES

NOTICE TO: Jacob Stark and Matilda S. Stark, Owners, Jacob Stark, the person to whom last assessed, Elmhurst National Bank, as Trustee, Arthur Kartheizer, County Clerk of Will County, Illinois, Unknown Owners and Parties Interested in said Real Estate: TAKE NOTICE that on November 23, 1956, Sam A. Yacono, at a sale made in pursuance of a Decree entered by the Circuit Court of Will County, Illinois, in the cause entitled, "The People of the State of Illinois vs. Jacob Stark, et al." and numbered 58052, purchased the following described real estate: Lot 10 in Block 1 in Columbia Heights, a subdivision of the West 1/2 of the Northwest 1/4 of Section 4 and of the Northeast 1/4 of Section 5, except the West 15.03 chains thereof in Township 34 North, Range 14 East of the Third Principal Meridian, according to the Plat thereof recorded Nov. 5, 1891 in Plat Book 4, part 2, pages 78 and 79 as Document No. 165439 in Will County, Illinois. That there was included in the decree for which said real estate was sold forfeited taxes for the years 1913 to 1954, inclusive, delinquent installments 1 to 10, both inclusive, due in the years 1913 to 1920, both inclusive, respectively, of Special Assessment Warrant No. 1 (487), delinquent installments 1 to 5, both inclusive, due in the years 1912 to 1916, both inclusive, respectively, of Special Assessment Warrant No. 510, and delinquent installments 1 and 2, and 4th to 10th, both inclusive, due in the years 1926 and 1927, and 1929 to 1935, both inclusive, respectively, of Special Assessment Warrant No. 5, all of the Village of Steger, Illinois.

That the time of redemption from said sale will expire Nov. 24, 1958.

FURTHER TAKE NOTICE that the purchaser has, this 26th day of June, 1958, filed a petition in the Circuit Court of Will County, Illinois, in Case No. 58052, praying that said Court order and direct the County Clerk of Will County, Illinois, to issue a tax deed conveying said real estate to the purchaser, if said real estate is not redeemed from said sale in the time allowed by law. You and each of you are further notified that if no redemption is made from said sale within the time allowed by law, the purchaser will, on the 25th day of November, 1958, at 9:30 A.M. or as soon as said petition can be heard, appear before his Honor, James V. Bartley, Judge of said Court, or before such other judge as shall be sitting in his stead, in the Court House at Joliet, Illinois, and apply for an order on said petition, directing that a tax deed conveying said real estate issue to the purchaser, at which time and place you may appear, if you so desire. Dated this 26th day of June, 1958.

Frankfort

Couple Visit 11 Countries in Two-Month Journey Thru Europe

KATHERINE HEISNER Phone Frankfort 5187 Mr. and Mrs. Herman Barlewort who have been touring Europe since May 20, returned home last Wednesday. While they enjoyed the trip tremendously, both are happy to be home. They were part of a group of midwesterners who visited 11 foreign countries on a tour sponsored by radio station WLS. The trip was made on the ocean liner Queen Mary. Included in the overseas itinerary were the following countries: Germany, England, Norway, Sweden, Denmark, Holland, Belgium, Switzerland, France, Ireland and Luxembourg. In Germany, Mr. and Mrs. Barlewort visited with his brother, Mr. and Mrs. Gustav Barlewort and family, who live in Barhausen, also his sister and family, Mr. and Mrs. Arnold Obermann, in Lenzinghausen. Robert and Gary Novota, sons of Dr. and Mrs. O. J. Novota are at Camp MacLean, Wisconsin. Dr. and Mrs. Merle Otto and family returned Sunday evening after a week's vacation at Alpine Resort, Egg Harbor, Wisc. During the month of July and August the Senior Methodist Youth Fellowship will meet only on the first and third Sunday evenings of the month. The first Sunday will be a regular meeting and the third, recreational. A bake and food sale on Friday beginning at 1:30 p.m. at the Frankfort Hardware store is being sponsored by the WSCS of the Methodist church. Donations will be appreciated from any ladies of the church. The 4-H Honeybee with their leaders, Mrs. Robert Schwiezer, Mrs. Norman Olson and Mrs. Ernest Mersch attended the 4-H picnic held at Raccoon Woods at Monee last Tuesday. There were 23 members from Frankfort at the outing. Mr. and Mrs. Alvin Harnack and Mr. and Mrs. Fred Gill of Manhattan dined at Arch Inn Sunday as guests of Mr. and Mrs. Edward Homan of Manhattan. Mr. and Mrs. Glenn Batson of New Lenox accompanied by Mr. and Mrs. Elmer Batson took a motor tour to Michigan Sunday. Last Thursday evening the following relatives gathered at the Elmer Batson home in honor of his birthday. Harold Scheer of Green Garden, Mr. and Mrs. Ed Dorband of Blue Island, Mr. and Mrs. Conrad Haakinson and daughters and Mrs. Anna Scheer. Mr. and Mrs. Henry Heusner and family of Livonia, Mich. spent a week with his parents, Mr. and Mrs. Henry Heusner Sr. Visitors Mr. and Mrs. Norman Zerbe and daughter of Horicon, Wisc. spent the weekend as guests of Mr. and Mrs. Howard Bell. On Sunday they called on other relatives here. Mr. and Mrs. Kenneth Heusing, Mr. and Mrs. Lewis Ebert and children and Mrs. Lester Gay returned Sunday evening after a week's vacation at Lake of the Ozarks, Mo. Entertain Teachers Mr. and Mrs. Robert Van Rheeden entertained 16 teachers of Lincoln-Way high school and their wives at a bridge party in their home last Tuesday evening. Mr. and Mrs. Glenn Wilkin and family and Mr. Charles Wilkin of Monticello were dinner guests Monday of Mr. and Mrs. Robert Van Rheeden. Mr. and Mrs. Glenn Schroeder and daughters, and Diane Moss of New Lenox were dinner guests of Mr. and Mrs. William Besse of Ottawa Sunday. After dinner the Schroeder family and Diane motored to Starved Rock. Mr. and Mrs. Wilbert Klier and family visited Sunday evening with Mr. and Mrs. Henry Mueller at Monee. Mr. and Mrs. Burton Breitert entertained the grade school teachers and their

Must File Personal Property Schedules In Cook Next Week (CNS)—Deadline for taxpayers to file personal property schedules has been extended to July 25 by County Assessor P. J. Cullerton. The deadline has been June 25 but many corporations requested the extension, Cullerton said Monday. He said failure to file a schedule will result in an assessment made "upon the basis of the best available information to which is added a penalty of 50 per cent."

Cullerton said filing of a schedule not only eliminates the penalty "but often results in a lower assessment for the taxpayer." Under Cullerton's administration, deputy assessors are following the policy of basing the assessment upon the taxpayer's return in the absence of any conflicting evidence. Cullerton said his staff is

Country Towns Republican Women
to Hear Cong. Marquerite Church

By LILLIAN KNOX
Phone Fieldbrook 9-0211

The 12th annual luncheon of the country towns committee women's regular Republican organization will be held at Edgewater Beach hotel in the Polynesian Room, Friday, Sept. 12 at 12:15 pm. Guest speaker will be Congresswoman Marquerite Stritt Church. Tickets are available from Mrs. Karl Ekberg. Hurry and make your reservation as tickets are going fast.

The regular meeting of Laurel Camp 1796 R.N.A., Orland Park, will be held at the home of Mabel Ekberg, Thursday evening, July 24th at 8 pm. Members urged to attend.

The Auxiliary to the Orland Park firemen will not meet during the months of July and August.

Awarded Station Wagon
James Hebel of Orland Park was awarded the station wagon given by the Orland Youth association. The award was made July 6 at the ball diamond on West ave. and 151st St. Lloyd Zinn is president of the Youth Association.

Mr. and Mrs. Foster Myrick and children and Mrs. George Sayers spent a week's vacation with relatives in Muskegon, Mich.

The Rauch family reunion was held Sunday, July 13 in the Forest Preserve on 143rd st. and Highland ave.

Mrs. Wm. Jacobson of Capron, Ill., is spending a few weeks with her daughter and family, Mr. and Mrs. Stanley Cooper.

Last Wednesday afternoon, Mrs. Melvin Doogan, Mrs. Robert Horn, Mrs. Wm. Nicolai, and Mrs. Gustie Hallinan had a nice visit with Mrs. Jacobson.

Joan Doogan, daughter of Mr. and Mrs. Melvin Doogan, celebrated her 4th birthday Friday, July 11 with a party for all her relatives.

Mr. and Mrs. Harry Rauch entertained their pinochle club Saturday.

The annual picnic of Orland Park Methodist church was

held Sunday at the picnic grove on Rt. 45, two miles north of Frankfort. The Methodist men were in charge of refreshments and games. Potluck dinner was served at noon. Prizes were awarded.

John Walter Gahn, of Orland Park, is on the honor roll at the University of Oklahoma according to the list just released. He is a student in the college of business administration.

Alpine

Orlando Johnson
Dies at Seattle

Mrs. Edward Mrosek returned July 4, from Seattle, Washington where she had been called June 27 by the death of her father, Orlando Johnson. Mr. Johnson, 76, is survived by his wife, Kitty; three sons, Kenneth, Seattle; LeRoy of Elma, Wash., and Ellwood of San Jose, Calif.; two daughters Mrs. Warren Thiel, Seattle, and Mrs. Mrosek, Orland Park; 14 grandchildren and one great

grand child.

When notified of her father's death, Mr. and Mrs. Mrosek were in St. Louis, Mo., where they had been called June 25 by the death of his brother, Theodore Mrosek, 56. He is survived by his wife, Margaret; his parents, Mr. and Mrs. Gust Mrosek, Chicago; a son, Theodore Jr., St. Louis, and a daughter, Mrs. Mick Sumstadt of Farmington, Mich.; three grandchildren, two brothers, Edward Sr., Orland Park and Gust Jr., Chicago; a sister, Mrs. Ansel Briggs, Barnett, Mo.

Sandy Jones, Riverdale, and friends Pan Rains, Roseland, and Lynn Bares, Chicago, enjoyed an overnight stay, July 4, at the home of her aunt, Mr. and Mrs. Albert Reeves, Alpine. Saturday evening, July 5 the girls enjoyed a hayride and weiner roast at which they and other young people were guests of Russell Bettenhausen.

Hayrides became popular with the three "town" girls when they experienced their first such ride at a surprise party at the Albert Reeves home, where 16 teen agers gathered in honor of Sandy Jones and her sixteenth birthday June 7. A hayride, outdoor dancing, weiner roast and birthday cake were enjoyed.

Before a balanced ration for suckling pigs can be developed, their salt requirements must be determined. U. of I. research workers are now conducting a project to determine the salt requirements of baby pigs. No similar tests have been made on pigs at this stage.

Pastor Attending School-No
Services at St. John's Sunday

By KATHERINE HEISNER
Phone Frankfort 5187

Rev. Ernest Gander left Monday to attend a meeting of the school for town and country rural pastors at Lansing, Mich. Due to his absence Sunday school and church services will not be held at St. John's North Peotone church July 20.

Mr. and Mrs. Frederick Uthe and family attended the Uthe family reunion held Sunday at the home of Mr. and Mrs. Theodore Uthe at Lily Lake near St. Charles.

The Family Life circle, their husbands and children enjoyed a picnic Sunday held at the home of Mr. and Mrs. William C. Bettenhausen. A potluck dinner was served at noon. Later volley ball was played. About 40 attended.

Mr. and Mrs. William C. Bettenhausen entertained the fol-

lowing group of friends at a hamburger fry recently at their home: Mr. and Mrs. Harvey Lewis of Joliet, Mr. and Mrs. Ernest Stevenson of Home wood, and Mr. and Mrs. Ralph Dralle of Frankfort and their families.

The Youth Fellowship of St. John's will meet at the church Thursday evening, July 17 at 8 pm.

Home Bureau
The Green Garden Home Bureau unit met at the home of Mrs. Elsie Morris in Elwood last Friday afternoon. Mrs. Donald Barlow presided at the business meeting. There were 10 members and 7 guests present.

The major lesson, "Weight Control Through Diet," was given by Mrs. Gilbert Voss

and Mrs. Emma Knater.

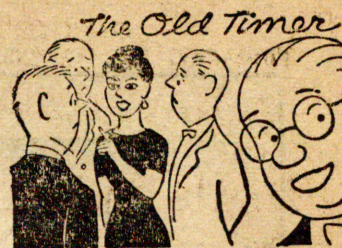

Various demonstrations were given by the Green Garden Snip and Snack 4H club members as follows: Sandra Nagel, bread; Carolyn Patz, salad; Joan Barlow, skirt; Sharon Homering and Bernadette Barlow, flower arrangements.

In the month of August this Home Bureau unit is planning a tour. The September meet-

ing will be held at the home of Mrs. Albert Lembke.

Miss Evelyn Beckman of Joliet is spending a week with her brother and family, Mr. and Mrs. Siegfried Beckman.

The annual summer Illinois Purebred Sheep Breeders' Association meeting and sale will be held in the stock pavilion at Urbana on July 19.

"The girl who lays all her cards on the table, will usually be left playing solitaire."

Newly Formed City Will Elect Officers Within 30 to 60 Days

by CHLOE WHITE
Sycamore 8-6620

Now that the residents of the area have made the decision to form a city an equally responsible task remains before them in the choosing of those persons best qualified to guide the new city thru its formation period.

There are two possible ways to seek election, either by formation of a political party with a definite slate of officers or as an independent candidate.

Those who plan to form parties must file a petition with 50 signatures in favor of said party. Each candidate also must file a petition with 50 signatures as well as a statement that he does not and has not belonged to any subversive organization.

The deadline for filing these petitions is determined by the County Judge and is usually two or three weeks from the date of the referendum. When the definite date has been set it will be announced.

Those to be elected are mayor, city clerk, city treasurer, police magistrate and six aldermen. All but the aldermen are elected to four year terms, the aldermen, when elected, draw straws to determine whether they will serve two or four years.

George Brogan, 17851 Baker, will act as attorney for the Homeowner's Association in the conduct of the election. He has the necessary petitions to form a party and for nomination for office.

School District 160

The School Board held a special meeting last week to assign to the State of Illinois the deed to the property on which the school will be built. This property, which was purchased by the Board by Mr. J. E. Merriam, will remain assigned to the State for 16½ years or until such time as the conditions of the lease are fulfilled.

Bids are being accepted from contractor for a three week period after which the contract will be given to a contractor and it is expected that ground will be broken about Aug. 1. February 1 is the expected date for occupancy in the new school.

William Hastings, president of the board, announced that due mainly to the cooperation of the architects McPherson and Swing Associates, in preparing specifications well in advance of the referendum and acceptance of application by the state. The district has progressed farther than other applicants who applied at the same time.

Boy Scouts

The boating camping outing which was to have been held July 11-13 was cancelled not due to rain or other good reasons but because this troop of twenty three boys could not supply four fathers who were willing to make the trip with their sons. There are no plans for another outing in the near future.

Cub Scouts

Troop 286 is planning a family picnic on July 27th, rain or shine, at Black Bear Lodge on Ridge Road in Homewood. The festivities will begin at 2 p.m. with games, races, prizes

ceremonies and free ice cream for all. Even the moms and dads will be vying for prizes. Sorry, but this picnic is limited to Cub Scouts and their families.

Homeowner's Association

The regular monthly meeting of the Homeowner's Association was held Tuesday, July 8. Ray Gaertner, chairman of the Covenants Committee, reported that requests for building additions to houses and for building garages are being processed as rapidly as possible. He also announced that within two or three weeks 400 watt mercury vapor lights will be erected at the N. E. corner of each of the 4 entrances to units one and two (183rd and Anthony, 183rd and John, 181 and Cicero and 182nd and Cicero.) The lights will burn from dusk till dawn.

John Merriam made the following resolution which was carried unanimously:

"Whereas, the Country Club Hills Homeowners' Association has leased the lot North of the firehouse from J. E. Merriam and whereas, in its present condition it is an eyesore, therefore be it resolved that we have the lot landscaped and planted by a professional landscaper in a manner suitable for a community beauty spot, to be known as the Homeowner's Park."

The rest of the meeting was given over to George Brogan for an explanation of the necessary procedures if the question of incorporation was carried. He was unanimously appointed to act as attorney for the Homeowner's Association in the conduct of the election.

A special word of commendation was given to Mrs. E. B. Wulf for her work as the election judge in charge of absentee ballots. A committee to organize a public meeting for potential candidates was appointed with Tom Quigley as chairman and Tom Merriam and Jane Wulf as members. Date, location and time of the

meeting will be announced, refreshments will be served.

PTA

Plans are rolling along for the PTA's "First Annual Cotton Hop" to be held at Saenger hall in Tinley Park Aug. 2.

Marvin Kollman heads the combo that will provide the music, refreshments will also be available.

Fire Department

The Women's Auxiliary of the volunteer fire department is still accepting donation pledges for its bake sale to be conducted door to door this Saturday, July 19. One may call Eleanor Otto at SY 8-5583 to let her know what the donation will be.

At the recent board meeting of the Christian Women's Fellowship held at the home of the president, Evelyn Van Horn the group (or Circle) leaders as well as the directors of worship, study and service were appointed.

There will be one daytime and one evening group. Leader of the daytime group will be Marge Wedderspoon and the two evening groups will be led by Betty Bergman and Gloria Armistead.

Serving as director of worship will be Bethanne Schwenk as director of service, Bernice Segin and as director of study, Riva Hoewing.

Mary Sonne will be in charge of flowers for the Sunday worship and also for the CWF meetings, as well as assist Elaine Timmerman with the Cradle Roll for newborn babies. Joyce Olson will be pianist for the CWF meetings.

Plans are progressing full speed ahead for the big church picnic. It is planned to hold both the Sunday school as well as the church services in the open in Tinley Creek Woods followed by a family style picnic. Each family will bring their own meat and bread and butter and also a salad or dessert for the potluck table, ice cream will be furnished.

Races and games for all ages will add to the fun, exact date to be announced any day.

Teen Club

There will be a meeting for all teens in School District 160 Homeowners House on Thomas next Saturday night in the Lane. The meeting will start at 8 p.m. and will be followed by dancing. All teens are urged to attend because the purpose of the meeting is to determine what it is that you want to do for your summer activities.

All those who attend the meeting are invited to a Swim party and FREE weiner roast to be held at Wicker Park on July 23.

Miscellany

Cass and Delores Brady, 17950 Michael, and their son Gregory spent their vacation

at Lake Tomahawk, Wis., water skiing as well as helping to empty the lake of its supply of bass.

Mr. and Mrs. William Picek, 18220 Anthony, have as their guests Mr. and Mrs. Geo. Wilhelm and their three children of St. Charles, Mo. The Piceks and the Wilhelms met when the men were in the service in California.

Mr. and Mrs. Thomas McArdle spent a recent long week end in Kentucky Lake, Ky. Because they thought it would be just a short trip to Cincinnati, they decided to return via that city. Imagine their chagrin when they found it was farther from Kentucky Lake to Cincinnati than from Cincinnati to Chicago. (They discovered this after they arrived in Cincinnati.)

A wonderful trip without the children was the reward enjoyed by Mr. and Mrs. Ken Sana on a recent visit to St. Louis with Ken's brother and his wife, Mr. and Mrs. Clyde Sana. Highlight of the vacation was a wonderful dinner enjoyed at the Stan Musial restaurant.

The Couples club held its monthly meeting at the home of Elaine and Carl Timmerman. Helping to decide whether incorporation was a good thing were the Charles Van Horns, the Donald Schwenks, the Dan Berdians, and the Cliff Areharts.

Luddington and Saugatuck, Mich. was the destination of Mr. of Mrs. Walter Dieckmann 4460 180th, and their daughters Cindy and Debbie, on their vacation trip.

Mr. and Mrs. William McLean, 18105 Mary Ann Lane, had Mr. and Mrs. Roger Jensen as their guests recently. The Jensens hail from the land of 10,000 lakes, Minneapolis, Minn.

Our popular mailman, Mr. Mazurowski, is once again in possession of his keys. Little John Langmeyer of 183rd and LeClaire has found them and returned them to a very grateful owner.

A quiet vacation here in Country Club Hills and environs is the plan of Mr. and Mrs. E. K. Landenberger and children, 4530 181st Pl. They plan to take advantage of local museums, zoos and of course much swimming and picnicing.

Larry Spencer, 17860 Anthony, celebrated his 10th birthday last week with the following boys and girls helping to celebrate: Bobby Hancock, Bruce Enfield, Nancy Thomas, Gary Van Horn, Bobette Fischer and Bill Barthel.

Mr. and Mrs. Ree B. Davis, 18150 Anthony, recently visited Columbus, Ohio for the funeral of Rees' uncle. Rees returned immediately but

SCOUT NEWS

CAMP MANISTEE

Last week saw the change-over between the first and second sessions at Camp Manistee, owned and operated by the South Cook County Girl Scout Council. On Wednesday, the big buses returned the happy, healthy campers who have been enjoying two weeks of tenting in the Manistee National Forest, Michigan and on Thursday, they began the trip north with 130 different girls.

Their counselors, coming from eight different states have included some familiar adults from years past, and some who are new. Those from this area include: Elizabeth Conran, Chicago Heights; Marion Kirk, Flossmoor; Theresa Olling, Harvey; Gail Johnson and Dorothy Larney of Chicago.

The many teachers among Girl Scouts will help to spread the word that even in a land of plenty, there is a growing need for year-round conservation of water, soil, forests, wild life and wild plants.

There are still opportunities for girls to participate in these new projects as well as the usual swimming, boating, cooking, crafts and overnights. Registrations will be accepted for third session which is from July 24 thru Aug. 6 and fourth session which is from Aug. 7 to Aug. 20, at the Council office in Harvey. There will be a unit for Brownie Scouts in the fourth session, if registrations warrant it.

Campers in this area who are attending Camp Manistee the second session are: Penny Hodges, Orland Park; Patricia Cheney, Diane Griebel and Charlene Wojciechowski, of Tinley Park.

The first Bible printed in America was printed in the Indian Language.

Marge and the children, Debbie and Bobbie, remained for a two week visit.

Well, as that lovable old cynic La Rochefoucauld once said, "The fame of great men ought always to be estimated by the means used to acquire it."

Finl 'till next week.

On July 27, 1953, the last U. S. carrier strike of the Korean action was flown. Planes from Task Force 77, operating with UN forces, rolling stock, airfields and road systems before returning to their ships.

Reciprocal Trade Agreement Wrecking U. S. Business-Mason

By CONGRESSMAN N. M. MASON

A great American once said, "Let's look at the record." If our American people—especially those who advocate extending the Reciprocal Trade Agreement Act—would only look at the record they would insist that the act should be abolished, not extended. A partial record of the Reciprocal Trade Agreements Act over the past 24 years, as compiled by Dean Clarence Manion and announced by him over the Manion Forum of the Air on June 8, 1958, follows:

Since 1934, United States tariffs have been reduced by as much as two-thirds. United States tariffs are now among the very lowest in the world. "What this has done to the domestic market of many important industries can easily be imagined, but here are a few of the pertinent facts and figures."

"In 1938, only 70 foreign sewing machines were imported into the United States. In 1956, 55,156 were sent in."

Pushed to Wall
"Ten years ago, five American companies were making sewing machines for the American market. Today, only one of these companies is left. In 1938, less than 1,200 dozen cotton shirts were imported into this country. In 1956, more than one and one-quarter million dozen were sent in."

"Less than 200,000 foreign cameras came from abroad in 1938. In 1956, the number imported exceeded 1 million."

"One big American camera company has quit manufacturing parts and accessories and is now importing these from Germany and Japan."

"Less than 1,300 foreign bicycles were sold in this country in 1939. In 1956, more than 1,173,000 of these were imported."

"In 1938, Americans bought less than a million square feet of imported plywood. In 1956, more than 706 million square feet of foreign plywood were sold in the United States of America."

"With watches, pottery, sporting goods, binoculars, table cutlery, typewriters, chemicals, machinery, cotton gloves, and all varieties of textiles, it is the same sad story. Nevertheless, President Eisenhower insists that foreign trade is a two-way street. He says that we must import if we are to continue to export."

Fewer U. S. Cars Sold
"American automobiles have now lost their time-honored edge in the world market. In 1956, 173,851 American autos were sold abroad, while 107,675 foreign cars were purchased in the United States. In 1957, the tables were turned when 141,382 American cars were exported and 259,343 foreign cars were imported."

"This year, the ominous gap is widening. American manufacturers are now becoming importers. General Motors and Ford have announced that they are manufacturing cars in Europe for the American market. Studebaker is now the American distributor for the German-made Mercedes."

"Last January, the Vernon Kilns Co., of Los Angeles, which has manufactured pottery successfully in this country for 41 years, finally threw in the sponge to the low-wage, low-tariffed Japanese competition and shut up shop. Within three years, four other southern California pottery manufacturers have done the same."

"Our principal export at the moment would seem to be the jobs of American workmen. These are going over to the Germans, the Japs, the English, the Danes, the Frenchmen, and other foreigners in carload lots."

"Ironically, many of the ultramodern factories to which American jobs are now being exported have been built and equipped with American foreign-aid money."

"The President is reported to shudder at the thought of any reduction in this annual handout, but he should be shuddering for the thousands of American workers who are now unemployed because of it."

Over one ton of nickel is used, principally in the form of high-temperature alloys, to build a modern jet engine for high-speed aircraft.

Seeks Compromise on Hickory Hills Village-City Fight

(CNS)—County Judge Otto Kerner will meet with attorneys in his chambers July 30 in an out of court attempt at a compromise in the battle over control of a section of territory south of Hickory Hills.

Meanwhile, hearings before the court have been continued generally.

The legal battle involves 225 acres west of Worth, where some property owners want to be annexed to that village. Others in the area want the land included in their petition to incorporate as the City of Palos Hills.

The battle began April 14 when the village filed an annexation petition for 279 acres about eight hours before the North Palos Community council entered a counter-petition for a referendum to incorporate 270 acres as the city of Palos Hills.

Worth lost a potential additional 45 acres when Judge Kerner upheld the first objection to annexation made by the Chicago Ridge Land Fill company. This left 225 acres in the disputed area.

Rayson Raps Congress and Administration

Leland H. Rayson, Democrat, fourth district, told the Thornton Democratic organization in Thornton last week that "the present national administration has shown great ineptitude in handling pressing problems."

"It has done nothing about school construction which is so vitally important if we are to keep pace with the Russian educational program," Rayson said. By 1965 shortage of school rooms will reach a peak.

"Secondly, this administration has failed to curb inflation while at the same time permitting a recession to develop. The unprecedented result of this is ever higher living costs with less national income."

Blames Recession on GOP
Rayson said Congress is equally to blame with the president for "fiddling while Rome burns," and declared that a notable and typical example of this attitude is my opponent, the present incumbent Republican congressman from the Fourth district."

"He displays the lack of imagination and inability to act which characterizes the administration, meanwhile issuing cautiously worded statements in his news letters and press releases designed to avoid facing the result of his party's bungling."

Rayson charged the administration introduced a school construction bill and "then did nothing about securing its passage, but let it wither on the vine."

"It has been toying with the inflation problem for five years and now has permitted a recession to develop. This never happened even under the last Republican administration and they admittedly have no program to cope with it, except pious hope that history will not repeat itself."

Woman Sues Hickory Hills for \$51,100

(CNS) A Justice woman injured in a collision with a Hickory Hills police car while driving through Oak Lawn has filed a lawsuit seeking a total of \$51,100 damages against the Village of Hickory Hills and the policeman.

She is Mrs. Anne M. Hathway, 7938 S. 82nd court, Justice, injured last Jan. 9 in the collision at 79th street and Roberts road, Oak Lawn.

Mrs. Hathway seeks \$50,000 for injuries to the left shoulder, left side of the head, left elbow, left knee, ribs and back. Her husband, Frank, seeks \$1,100 for damages to his car, demolished in the collision.

Driver of the police car was named as Owen B. Campbell, 7942 W. 98th place, Oak Lawn, a Hickory Hills policeman. The car was reportedly on an emergency call when the collision occurred.

Former Hoodlum to Speak Sunday at Orland Church

A former Chicago gangster, now turned evangelist, is to speak at the Orland Park Bible church Sunday, July 20, it was announced by the pastor, the Rev. L. R. Reeser.

He is to appear at the morning service, 10:45 o'clock and in the evening at 7:30. The church is located at 113th court and 157th st., near the intersection of Rts. 6 and 7.

The evangelist is George Mensik, a one time henchman of Danny Stanton. Mensik left the underworld 20 years ago after he had been converted. Since then he has told his story at hundreds of church meetings and has preached in prison and rescue missions.

Sunday Mensik will describe the present day ministry of Pacific Garden mission on Chicago's Skid Row. Founded in 1877 the mission is especially known for such converts as the late Billy Sunday, the evangelist and Mel Trotter, evangelist and rescue mission leader.

Today, besides ministering to thousands of derelicts annually and offering food, clothing and overnight lodging, the mission maintains a servicemen's center and sponsors a weekly radio broadcast, "Unshackled!" which is heard on more than 100 stations in the U. S.

Boob of the Month

DREAMY DRIFTER, the tumbling tourist, is the mopey menace of the multiple lanes.

He drifts across the stripe on his left and then across the stripe on his right.

To other motorists, he's a tumblin' tumbleweed.

Tumbleweeds are shortlived.—Touk County Highway Department.

Ask Court to Decide Who Owns Title to Sewer and Water Mains

(CNS)—A controversy over who holds title to water mains and sewers in the Ranch Manor subdivision in Oak Lawn—the village or the Rowan Improvement Association, Inc.—has landed in the courts.

Oak Lawn petitioned Superior court Monday for an order declaring that these and other facilities are village property. The action was brought against the Rowan company, a public utility providing water and sewage service in the subdivision.

The village seeks an order holding that the entire right and title to streets and easements for public utilities in Ranch Manor subdivision are village property. The suit, filed by Village Attorney Gerhardt J. Giege, also asks the court to hold that the right and title to water mains, sanitary and storm sewers, street paving, curbing, and sidewalks in the subdivision are public property.

The Rowan company alleges ownership of the water mains, storm sewers, and sanitary sewers and hence a controversy exists, Giege said.

The water and sewer utility was incorporated Feb. 21, 1956, and has an Illinois commerce commission franchise to serve the subdivision.

But the village has never granted the utility any easement or franchise rights by ordinance in the subdivision, according to the suit.

It asks the court to hold the village also has a fee interest in the streets by reason of execution of plats of subdivision.

Episcopal Mission Will Use Legion Hall for Services

The newly formed St. Boniface's Episcopal mission will hold its services in the American Legion hall, in Tinley Park.

Services will begin on Sept. 14 and arrangements are now being made to engage a priest to be in charge of the development of the mission.

Several local churches, it was pointed out, have had their start in the Legion hall.

Homewood Acres Fire Department to Hold Festival

Fire Chief John W. DeWitt announces that the Homewood Acres volunteer fire department will hold their annual celebration on Saturday and Sunday, July 19 and 20, on the grounds of the fire station, 183rd Street, one block east of Crawford ave. There will be rides for children, donkey baseball games Saturday and Sunday evenings, free square dancing Saturday evening, and a free model controlled plane show late Sunday afternoon.

Food and refreshments will be available.

There will be no admission fee.

President Benjamin Jerkatis invites all to come and enjoy a happy time.

Power Mower Dealers Form Association

Illinois Lawn Equipment Inc., of Orland Park, has joined with 20 other firms in Cook, Lake, DuPage and Kane counties to form the Chicagoland Lawn Equipment Servicing Dealers Association.

According to Robert Johnson, of Illinois Lawn, a director of the newly formed association and in charge of its publicity, the aims are threefold, improve service to the customer, encourage high ethical standards in customer relations and exchange ideas and methods that will lead to improved service and lower costs.

In the Chicagoland area, it was said, one out of every five households owns a power mower for a total of approximately 330,000 machines.

Correction in Orland Ordinance on Appropriations

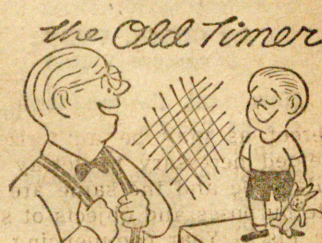

In the annual appropriation ordinance for Orland Park, No. 175, which was published in the July 3 edition of this newspaper, there were certain typographical errors and minor omissions called to our attention by Village Clerk Kenneth Halvorson that are hereby corrected.

An item under the heading Police Department, "For repair of police vehicles...\$600.00" was omitted and the next item following, "For gasoline and oil for police vehicles...\$1,000.00" was inserted twice.

The item, "For garage expense for police vehicles...\$360.00" appeared with the

items carried under the heading, Fire Department, instead of under the heading Police Department.

Under the heading, Public Library, the item, "For purchase of periodicals...\$15.00" was omitted.

"One of the great mysteries of life is how the boy we were sure wasn't good enough to marry our daughter can be the father of the smartest grandchild in the world."

Civic Committee Goal is Better Care for State's Mentally Ill

A state-wide civic committee has been formed with headquarters in Chicago. It is composed of civic leaders, organizations and agencies, whose objective is better care and treatment for the state's mentally ill and retarded patients.

The problem in Illinois is a serious one. While the state is third in the nation in numbers of mentally ill and 6th per capita income, it is 38th in the nation in per diem allocations for care and treatment of these citizens.

The committee plans to work for the referendum to be voted on Nov. 4, which will provide a \$248,000,000. of which

amount \$81,000,000 will be made available to the Department of Public Welfare to begin rehabilitating existing facilities and

construct additional need-ed buildings.
The department is presently 50 per cent understaffed. The insufficient budget prohibits the use of adequate treatment. Many existing facilities are antiquated and fire hazards exist in hospitals and schools for the retarded which are 42 per cent overcrowded.

The committee, wishing to reach every community, has reading material available which can be ordered from the Civic Committee, room 1812, 100 W. Monroe St., Chicago 3, Ill.

Over fifty million board feet of timber and lumber are used annually by International Nickel, world's largest

How many of these electric helpers have you added since 1947?... asks LITTLE BILL

a b c d e f g h i j k

You're an average family if—in the postwar years you've added six new electrical appliances. Shown here are a few typical examples. This is why you're using far more electricity nowadays than you did a few years ago. And why life is a lot easier. But of all the things you buy today, electricity has gone up less than almost anything else.

So, while your bill may be a little higher, electricity is actually doing nearly twice as much work for the money now as it did years ago.

See how little it costs to run each of these electric helpers.

a—Electric water heater—2½ gallons 1¢. New, fast electric models deliver all the hot water a big family needs 24 hours a day.

b—Automatic washer—3 loads 1¢. Saves hours of work every week.

c—Electric Dryer—just 6¢ a load is all you pay to dry the clean electric way!

d—Dehumidifier—1¢ for 4 hours. Keeps basement dry, keeps tools from rusting.

e—Power saw—works a solid hour for 1¢. Cuts straighter, faster.

Other appliances shown include:
f—Furnace blower—½¢ an hour. (Keeps heat even, saves you many dollars on fuel.)
g—radio—5 hours for 1¢, (h) drill press—an hour and a half of work for 1¢, (i) ceiling fixture—5 hours of light for 1¢, (j) electric hand drill—works 2½ hours for 1¢, (k) electric sander—only 1¢ for 2½ hours of help.

"Electricity costs less today, you know than it did 25 years ago!"

Homer

Charles Adelman's to Celebrate Silver Wedding with Open House

By ELIZABETH B. ANDERSON
Phone Lockport 886W2

Mr. and Mrs. Charles Adelman, Sr. of 147th st. will hold open house in honor of their 25th wedding anniversary Saturday afternoon, July 19, beginning at two o'clock. The affair is planned as a lawn party at the Adelman home, but in case of inclement weather, it will be held at the North-west Homer Fire barn. All friends, relatives and neighbors are cordially invited.

Mr. and Mrs. Herman Benck and family attended the wedding of their niece, Carol Benck, daughter of the Arthur Bencks of Blue Island, and David Ross of San Francisco, Calif., July 5 at the Blue Island Lutheran church. A reception for 250 guests was held on the lawn at the bride's home following the ceremony.

Mr. and Mrs. Herman Benck daughter, Ruth, and son Ralph accompanied by Mrs. Ella Carlson and daughters, Carol and Rita, of Joliet, enjoyed an outing at Rock River Falls last Sunday.

Ralph left Monday for Lincoln, Neb., where he will attend summer classes at the Nebraska State U. and where he is a part time teacher. He spent a short visit here.

Mrs. Norman Pankow and daughter have returned to Great Falls, Montana after spending three months with her parents, the Barney Welters, while Mr. Pankow was with the army in Germany. He has returned and Mrs. Welters accompanied her daughter to Great Falls to help her reestablish her home there.

Reed L. Burch left by private plane Thursday to return to his work in Seattle, Wash., after spending a few days with his parents, the H. Reed Burch's here. The James Coleman family who have been here for two weeks, left for California Wednesday.

Mrs. Edna Mergler accompanied her daughter, Mrs. Verena Ault, when she returned to Kansas City, after a visit with relatives here. Susanne Burch am will go to Kansas City this week for a few days' visit, returning with Mrs. Mergler.

Mrs. Frieda Fahlbusch of California will be among the guests at the Silver wedding celebration of her daughter and son in law, the Charles Adelmans. She is visiting relatives here and in Chicago.

Doings of the Country Charms
The Country Charms 4H club met at Northwest Homer Fire barn June 18 at which time Susan Kenny demonstrated the making of a head scarf.

Holiday Williams, a junior 4H leader from Arapahoe county, Colo., explained how 4-H is run in her county; and the girls compared the methods. Refreshments were served by Susan Kenny and Gayle Meyer. Plans were made for the July 2 meeting. The group met at the Fire barn July 2 when a demonstration on, How to put in a facing, was given by Susanne Burcham. The remaining time was spent in practicing the modeling of their clothes, and Becky White served lemonade.

A special meeting was held July 11, in the home of their leader, Mrs. Holloway. Cooking demonstrations were given by Kathie Bier and Edna Mae Burcham. Bonnie Mlynarik, Mary Snyder and Becky White gave sewing demonstrations. The next meeting will be July 16, the regular one, at the Fire barn.

The King's Daughters enjoyed a bountiful picnic dinner in the church dining room Thursday, followed by games and sociability. Mrs. L. E. Storm conducted a short business session and announced that on the afternoon of August 15, the Circle will sponsor a silver tea at the church. Guests Thursday were Mrs. Robert Doak of Joliet, Mrs. Walter Kettering of Lockport and Mrs. Gene Anderson of Homer.

Observe 50th Anniversary
The Rev. and Mrs. H. R. Jay whose present address is 105 E. Madison st., Mt. Pleasant, Iowa, will celebrate their golden wedding July 18. This is also the date of the Rev. Jay's fiftieth year as an ordained minister. The celebration marking the events will take place in Mt. Pleasant July 20. Congratulatory cards may be sent to the above address. The Rev. Mr. Jay, a pastor in Lockport for many years, also preached in the Homer pulpit for a short time and is well known to many Homer people.

The Rev. A. E. Talbert of

Huntley, another former Homer pastor, has a timely article on soil conservation in the current issue of the Illinois Agricultural Record.

Fire of undetermined origin destroyed a summer cottage on S. Parker road, near Duck pond, last Sunday morning. The building was unoccupied but neighbors called the Lockport and New Lenox Fire departments, both responded but were too late to save the small structure.

Rita McCartini of Oak Lawn who was a guest in the J. D. Hoogstra home, went horse back riding with Faye Anderson last Wednesday, and received a small cut on the lip when her pony ran too close to an electric fence. Mrs. Bruce Anderson took her to the hospital for treatment. She fortunately escaped serious injury. She managed to keep her seat and felt no shock from the electricity.

The drive for clothing for Church World service will be conducted by the Homer church from July 20 to Aug. 3. Clean wearable clothing for any age or sex may be brought to the church, during that time. Men's garments and shoes are especially needed. There will be a receptacle at the church for them and they will later be taken to a Chicago church for sorting and packing. The Rev. Mr. Hansen is at the church each week day morning from Tuesday through Saturday. The telephone should be installed at the church by then, the number being the same as the parsonage number, 806M2.

Laguna Woods

Trained Dogs to Perform at School Social

By MRS. ROBERT ANDERSON
Phone Fieldbrook 9-2857

Everyone is invited to attend an ice cream social at the Palos Heights Christian school, 7059 W. 127th st.

There will be a 45 minute performance of trained dogs owned by Mr. and Mrs. Charles Goessels who own and operate the Heige Boarding and Training Kennel at Midlothian.

Mr. Goessels has trained over 1,000 dogs within the past 15 years. During the past five years he has had 2,000 shows in 42 of the 48 states.

Bible School
Vacation Bible school will be held at the Palos Heights Christian Reformed church, 7059 W. 127th st., near Harlem ave., from 9 to 12 noon, July 28 to Aug. 8, with the theme, "Exploring God's Wonders."

All children pre-school and grades 1 thru 6 are invited to attend. Anyone desiring transportation may phone Gibson 8-6329 or Gibson 8-0826.

Mr. and Mrs. Henry Anderson returned Saturday from a week's fishing trip in Wisconsin where they visited the Dells and enjoyed the Indian ceremonial.

While Thomas Verhagen spent three in Champaign on a business trip recently, a girl friend of Mrs. Verhagen's spent two days visiting with her, enjoying the beauty of the home's setting and surrounding woods.

Mr. and Mrs. Huber moved into their new home Saturday.

Mrs. William Snedden underwent surgery at the South Shore hospital last weekend. She is up and around and feeling fine.

Worth Republicans Will Hold Annual Picnic Saturday

An old fashioned family picnic is being sponsored by the Worth township regular Republican organization Saturday, July 19, at the Shady Grove, 123rd st., and Ridge-lane ave., three block south of Rt. 83 and one block west of Ridgeland.

Lawrence L. Hupe, the committeeman, announces there will be entertainment, music and games for all ages and plenty of free parking space. There is no admission charge. Prizes will be distributed.

OOPS! NICKED THAT ONE A LITTLE didn't it—the mechanical digger, that is. Excavating trenches for Mokena's sewer system isn't just digging a long hole of varying depth. It is also dodging water mains, gas mains and pipes for both and there are a lot of them. Blaine Saxton's crews will attest. This water pipe that was hit along Front st. might have been hailed with delight on a hot, dusty day

in the middle of a long dry spell but there have been so many rainy days lately that it attracted no spectators and one can see plainly that these two boys aren't much interested either. The workmen are philosophical—better have water pouring out like this than gas and—heaven forbid—just suppose it was ink or paint. (Marvin Smith photo)

Marley

Missionary Society Makes Plans for Annual Bazaar and Supper

By VIRGINIA SASS
Phone New Lenox 3133

The Marley Missionary society met in Haley park Wednesday for a potluck picnic dinner and its regular meeting. Hostesses were Mrs. Edward Sproat, Mrs. Russell Lauffer, Mrs. Charles Lauffer and Miss Bessie Sproat.

The president, Mrs. Francis Nelson announced the committees for the annual bazaar and supper to be held in the Marley church, Thursday evening, Sept. 18.

An advance ticket sale for the supper will be held this year. Tickets may be purchased for a preferred time of eating, 5, 6, 7 or 8 o'clock. Mrs. Arthur Lauffer, New Lenox 3131 and Mrs. Loren Sass, New Lenox 3133, may be contacted for tickets. It was also announced that the annual cleaning day at the church will be Aug. 6.

Mrs. Otto Moravec was hostess to the Twelve Trumps in her home Wednesday night. Prizes were awarded to Mrs. Loren Sass, Mrs. John Riley and Mrs. Fletcher Binion. After the games, refreshments were served.

Mrs. Adella Sproat is a patient in Silver Cross hospital. Billy Yapp underwent minor surgery last week in the Silver Cross hospital.

J. J. Patric returned Friday from Illinois Research hospital in Chicago, where he was a surgical patient.

Freddie Handorf suffered a fractured arm when he fell out of a swing at his home last week.

The annual Gillette reunion was held Sunday in Haley Park. A potluck picnic dinner

was served at noon. There were about 50 in attendance. Games were played under the direction of Miss Mary Jane Gougar and Mrs. Harlow Jensen. Mrs. Burton Gillette was in charge of the program. The eldest present was E. D. Gillette and the youngest was Donn Alan Bruns, both of Marley.

Mr. and Mrs. Charles Sass and children Larry and Debbie spent the weekend with friends in Indianapolis, Ind.

Mr. and Mrs. Edward Sproat and daughter Bonnie are enjoying a motor trip around Lake Michigan this week.

Mr. and Mrs. Daniel Sass entertained at a picnic at their home Sunday. Guests were Mr. and Mrs. Wayne Peterson and

children Laura Sue and Tommy of Melrose Park; Mr. and Mrs. Glenn Peterson, Frank List, Bud List, Miss Cora Hyink, Mr. and Mrs. Fred Lauffer and Kenneth, Mr. and Mrs. Loren Sass and daughters Cheryl and Verda, and Mr. and Mrs. Louis Sass.

There's A Killer Loose in Almost Every Home, Safety Experts Say

Mrs. Housewife—there's a killer in your home!

But you don't need weapons to defend yourself, the National Safety Council says. Just common sense and a lot of caution.

The killer? Poisons. They lurk everywhere—in the medicine cabinet, under the kitchen sink, on dressing tables. You'll even find them on food shelves, in the workshop, and in your cleaning closet.

These camouflaged killers in the home, the Council points out, take more than 1,000 lives annually. They take a steady toll throughout the year—about 120 lives a month.

Most frequent victims are children 5 years of age or younger. But right up there as home poison victims are persons in the 25-44 and 45-64 age group.

The types of accidental poisoners are as varied as the containers they come in—bleach, permanent wave solution, shampoo, nail polish remover, furniture polish, art supplies, bug killers, paint removers.

Regardless of the killer, in just about every instance there's an accomplice to the

crime—carelessness or ignorance.

For example, some potential poisoners are properly labeled—but a lot aren't. Doctors aren't always sure if a product is poisonous. And some ingredients, harmless to most persons, can kill others—especially children.

In many instances, the killer is an otherwise harmless object—aspirin, for example. About 1 out of 5 children treated for accidental poisoning in a recent year had swallowed aspirin, the Council reports. Kerosene is a troublesome household commonplace, especially in rural areas and in the South.

Old houses, too, can be boobytraps for children. Tots can be poisoned by peeling paint on window sills and frames, or by crumbling plaster. Each can cause lead poisoning. The way to prevent poisoning?

1. "Education," the Council says. "Parents should be made aware of the dangers lurking in their homes."

2. Stricter state and federal laws. "Ingredients should be listed on bottles or cans containing poisonous substances"

—even products valuable to our everyday living."

Best way, tho is to prevent the poisoning, the Council says. How?

By following these rules: (1) Store medicines out of the reach of children, (2) Don't put poisons near foods—it's too easy to confuse the two, (3) Don't take medicine in the dark, (4) Keep poisonous substances out of soft-drink bottles, used jelly jars, or pans, for example, and (5) Have a locked poison compartment in your home.

The addition of nickel to aluminum bronze produces an alloy with excellent resistance to corrosion and erosion by sea water, making it highly suitable for ship propellers and other marine applications.
